

**AMENDMENT # 1 TO OFFSHORE DIVISION GENERAL SAILING INSTRUCTIONS
CLOSING DAY REGATTA/STAGGERED START RACE – OCTOBER 26, 2013**

1. No subclasses will be scored separately. This changes GSI 13.3 (a).
2. STARTING AREA. The starting line will be between FBYC “B” and an orange flag on Mr. Roberts.
3. THE START. RRS/US 26 and GSI 7 are modified to the following extent.
 - (a) All classes will start in the same sequence.
 - (b) Each boat will be assigned a starting time, based upon its PHRF valid rating. The starting time will vary based on the length of the course selected: that is, time allowances and corrected time are calculated in determining starting times separately for each course, such that the first boat in a class to finish will necessarily be the first to finish on corrected time. The starting time of the first boat(s) to start shall be five (5) minutes after the Warning signal (RRS/US 26). All other boats shall start at their scheduled starting time based on the course displayed. See Appendix B for designated starting times for the Course Options.
 - (c) Any boat crossing the starting line before its scheduled starting time and not returning to the prestart side of the starting line before its scheduled start time will be considered OCS.
4. COURSES AND COURSE DISPLAYS. GSI 5 is modified as follows:
 - (a) The course to be sailed will be one of the three courses listed in Appendix A. designated as courses “A”, “B” and “D”.
 - (b) The course selected will be displayed by means of a code flag corresponding to the course designation (i.e. Code Flag “A”, “B” or “D”) hoisted on the Port high hoist on Mr. Roberts.
5. CHANGING OR SHORTENING COURSE. RRS/US 32 and 33, and GSI 9 are modified as follows. The course will not be shortened or changed after the first boat starts.
6. TIME LIMIT. The time limit for each course is shown in Appendix B. Boats finishing after the time limit will be scored DNF.
7. AWARDS. Awards will be given for PHRF Spinnaker and PHRF Non-Spinnaker.
