

## From the Quarterdeck

Happy New Year! and what a year we hope it will be!

Our Fund Raising Committee has contacted many of you asking for your support of the new building project but I know they have been unable to contact everyone. For those of you what haven't been solicited, or who have not yet determined your level of support - please let me say to you - Fishing Bay Yacht Club asks each of you to support the club financially with a cash gift of \$500 to \$1,000 to \$5,000 or whatever you feel you can give. Elsewhere in the Log is a copy of the pledge form which we ask you complete and mail or fax to Bev Crump.

We have established a goal of \$300,000 as needed to be raised from the membership and we now have promises of \$225,000 from 70 of our 340 members. Some of you have asked for guidance as to the appropriate amount to give. To date, we have pledges ranging from \$100 to \$25,000, the most usual gift is \$500, \$1,000 or \$2,000, and the average gift is \$3,500. Under our financing plan, we hope to avoid member assessments; however if we fall short of our goal, you can anticipate a Building Dues Surcharge in the amount of \$200 per member per year

by Strother Scott, Commodore

sometime in the future. Members making gifts receive a credit against the surcharge so I would suggest \$200 is the minimum gift. Gifts are not deductible. Evie and I made our gift considering what FBYC has meant to our family over the years, and related it to similar non-deductible expenditures like how much we have spent buying new sails for our boat or vacation home costs.

I truly believe that the new Fishing Bay Yacht Club Clubhouse will enhance everyone's enjoyment of our club and will enable us to continue to achieve our goals and priorities which were set in 1993 and which are, listed in order:

- o Junior Sailing
- o One Design Racing
- o Offshore
- o Cruising

The Sailing Events Committee is off to a good start with the planning for 2001 and we hope to be organized so that we can hold our usual events in spite of a missing clubhouse. We look forward to seeing you at the Bermuda High party February 16 if not sooner.

R. Strother Scott, Commodore

## **Help where you Can**

A Final Schedule is included inside this issue. Volunteers are needed for each event, be it social or sailing. Each member is expected to select two days to assist with events and/or Race Committee. We will provide instructions, guides and reminders. Reviewing the list as you start to plan your summer will allow you to pick events, tasks and others with whom you'd like to share the time. The officer or chairperson responsible for organizing the functions are shown below:

## BOARD MEETING

**December 12, 2000 - Wachovia Bank**

Meeting called to order at 6:05 p.m. by Commodore Strother Scott.

### **REAR COMMODORE - DAVID**

#### **HAZLEHURST**

**SECRETARY - Lud Kimbrough** - The date of the next membership meeting is January 8, 2001 at 6:30 at Lud Kimbrough's home. The 2001 invoices will be mailed on December 16.

**MINUTES** - Motion to dispense with the reading of last month's minutes by Gordon Nelson; second by Debbie Cycotte; motion passed.

The following Resolutions were presented to the Board:

**RESOLUTION** to open Safe Deposit Box #4618 at Wachovia Bank, 3501 West Broad Street, Richmond, VA.

**RESOLUTION** to vote into Honorary Membership FBYC's Deltaville neighbors: Mrs. Edith Moseley, Mrs. Marjorie A. Ralston, Mrs. Mary Stull, and Mr. J. B. Richardson - and to provide all of them except Mr. Richardson, who does not want one, with a Membership Card. (Note: Mr. J. W. Hancock does not want to be included as an Honorary Member.)

**RESOLUTION** to vote into membership all children who have reached 10 years of age by January 1, 2001.

Motion to pass the Resolutions by Mike Karn; second by Debbie Cycotte; motion passed.

**TREASURER - Mason Chapman** - Treasurer's report presented.

**DOCKS - Debbie Cycotte** - Most of the slips are rented but some boats need to be moved. The hoist was temporarily out of order but is now working. The hoist will be serviced in the spring.

**SOCIAL - Mike Calkins (reported by David Hazlehurst)** - David reported that Mike is working on finding volunteers to chair all of the social events next year. Volunteers should contact Mike Calkins.

**GROUNDS - Bob Kates (reported by David Hazlehurst)** - The area behind the east bath house has been cleaned up and gravel has been spread there. Clean up around the entrance to the east pier has been completed. Bob will work with Debbie Cycotte about the dinghy racks. Clean up day is scheduled for March 17. David brought up the matter of combustibles being stored in the lockers as well as improper storage of other items in and around the clubhouses.

## **WINTER PROGRAMS - John Koedel**

**(reported by David Hazlehurst)** - There are two winter programs being planned. Arrangements to have Ralph Naranjo, Technical Editor of *Cruising World*, speak in late January or early February are being finalized. There will be a wine tasting/speaking engagement by Gary Jobson on March 23 about the Leukemia Cup. Cover charges for this event will go to the Leukemia Society.

**FINANCE - Strother Scott** - Strother reported on the status of the fund raising effort. Volunteers are calling members who have not responded to the fund raising letter. Some Board members will also assist in making calls.

**NEW BUILDING CHR. - Judy Buis** - Strother Scott advised that Bill Newman is proceeding with the working drawings. Mike Karn stated that salvage/demolition has begun. Mason Chapman reported that a separate checking account has been set up for the deposit of donations for the new clubhouse.

### **VICE COMMODORE - DICK COLE**

Dick Cole reported that there have been two sailing events meetings. A draft of the 2001 schedule was passed out to the Board. Stuart Burnett stated that the main focus in planning the offshore events is to get the offshore boats out to race. One Design plans include doing a Portsmouth start for those fleets that only have one or two boats show up for a race. Dick advised that any suggestions or changes to the schedule should be sent to him by February 1. Ron Buchanan and Jay Buhl have started calling members about serving on race committee. Race Chairs and Event Chairs must be in place in time for the Annual Books to be sent to the publisher by February 15.

**FLEET CAPTAIN - Gordon Nelson** - Gordon has the sailing events forms to be filled out for the Coast Guard. He will help with the training sessions in 2001 for learning to drive *Mr. Roberts*.

**OFFSHORE DIV. CDR. - Stuart Burnett** - Stuart plans to expand the number of fleet captains next year to include fleet captains for the different PHRF fleets.

**CRUISING DIV. CDR. - Sam Stoakley** - Sam is working with Allen Bower to finalize the cruising schedule.

**NEW BUSINESS** - Strother led a discussion about operating the club without a clubhouse next year. Using a diagram, he

Ralph Naranjo, technical editor of Cruising World magazine and the current holder of the Vanderstar Chair at the US Naval Academy, has authored two books and well over one hundred boating articles. He and his wife and children spent five years sailing their sloop *Wind Shadow* around the world, and he followed up with two decades worth of sailing and sailboats as a full time commitment.

A Cruising Conversation takes an audience to remote cruising grounds in Chile and New Zealand as well as closer to home, sharing the secrets of Maine, Nova Scotia, Newfoundland and the Bahamas. In addition to the theme of trade wind sailing and spectacular landfalls, you'll have a chance to take an up close look at what makes the Galapagos perhaps the most unique place on the planet and contrast it with the human drama of America's Cup 2000 in full swing in Auckland New Zealand.

Back closer to home you'll sail with the Naranjos from Nova Scotia to the Caribbean learning where to linger along the way. The program concludes with a sheltered ICW cruise through the backyard of rural America, then abruptly transplants you to the deck of the sixty foot sloop *American Promise* and her crew of midshipmen doing battle with a series of North Atlantic gales that lie between them and their landfall in England.

Naturally there's a question and answer follow up to the lecture and whether you're interested in what it takes to keep an old Westerbeke diesel alive or how it feels when you sail into Bora Bora's indigo lagoon, you'll find that a Cruising Conversation has appeal to each and every sailor. Ralph Naranjo's photography has appeared on the covers of boating and general interest magazines, and his slide shows are always a compelling visual experience.

# FBYC Juniors in the New Millennium NEED YOU

Jan Monnier

jmonnier@richmond.edu

(804) 751-0358

FBYC is very fortunate to have a wonderful place to sail, a new clubhouse on the way, and lots of families with kids who are learning to have fun sailing through our Junior Program. With record participation every year it's time to "grow the program". If you want your child to love sailing as a life long activity we NEED YOU.

We have more Juniors who are interested in racing boats **other than Opti's**.

We have more Juniors that **could be crewing** on member boats throughout the summer sailing season especially on our One Design boats.

We have more juniors who are interested in **fun sailing events** with their friends.

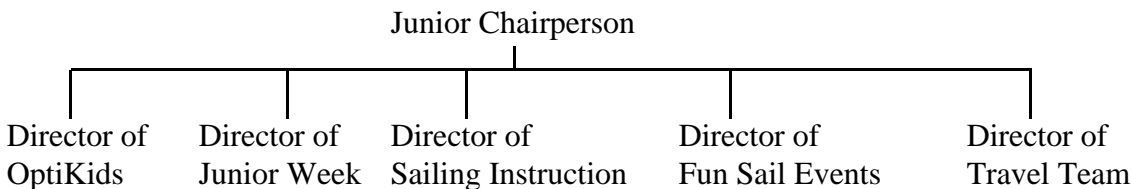

We even have more **non-juniors** interested in **learning to sail!!**

We have more kids who have the potential **to gain self-confidence** and develop sailing friendships as they race around the Bay.

The Junior program has the potential to grow in "leaps and bounds" but not with just one Junior Chairperson and 2 coaches.

WE NEED YOU.

I have proposed the following structure to get us rolling...

We need 5 adults to get involved. I will serve as the Junior Chairperson for 2001, but I NEED YOU to help with some of these other areas. I have great ideas, contacts, and step-by-step instructions for you to use to get going... plus, you can be as creative as you want. The sport of sailing needs you, the Juniors of FBYC need you, and if we all work together it can be done through a team effort.

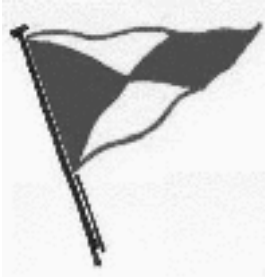

Thanks for taking the time to consider such a wonderful investment in your child's future.

Call today... first come, first served ☺

## New England Cruise June 24<sup>th</sup> to July 15<sup>th</sup>

**Cruise Co-Chairs: Vic & Jane DeNunzio; vgdenuzio@fiberlam.com or 804-794-1286**  
**Steve & Beth Gillispie; bgillispie@aol.com or 804-740-4029**

We have scheduled this cruise starting on Sun. June 24<sup>th</sup> to avoid conflicting with the Leukemia Cup and Junior Week. The full cruise will take 3 weeks and cover approximately 1000 nm with a dozen or more ports. It is being arranged so that the front or back portions can be done in 2 weeks for those with time constraints. The full cruise will allow several stops of 2 or 3 nights in great destinations as diverse as Cutty Hunk and NYC, and the 2 and 3 night stays allow makeup time for weather delays. While not “cast in concrete”, below is the tentative schedule at this point. If you have any interest in this cruise, look over the itinerary and let us know of your interest.

- Sun. 6/24/00: Deltaville to Block Island, RI. If you leave Deltaville early Sun. after the Leukemia Cup and Junior Week, sailing south to the Atlantic Ocean and then NE to Block Island you should arrive B.I. Tue. by 1800. The outside passage is 358 nm. If you elect to take the inside route through the Chesapeake and Delaware Bays, the trip is 410 nm., but the ocean passage is only 204 nm., and to arrive on Tue. you should leave earlier than Sunday depending on the number of stops you plan. Taking the inside route allows more flexibility with crews. In September, Sam Stoakley and I met John Koedel on “Wings” in Annapolis on a Wed. evening after leaving our car at the Baltimore Airport. We sailed to Bristol, RI with John via the Delaware Bay and Cape May. We returned home by air from Providence, RI on Sat. afternoon for less than \$70 (one way airfares from Providence to BWI or Boston to Wash./Dulles are very inexpensive).
  - Tue. 6/26/00: Arrive Block Island. Stay at a dock in the marina. Dinner on shore. Refuel. Have a great night’s sleep without the worry of being awakened for watches.
  - Wed. 6/27/00: Leave Block Island for Falmouth, MA (52 nm.) Falmouth is a neat town with rental cars and bus transportation available to the airports for crew exchanges. It is also only a few miles from Woods Hole via public transportation. Woods Hole is worth visiting for a day.
  - Thu. 6/28/00: At Falmouth.
  - Fri. 6/29/00: Falmouth to either Nantucket (30nm) or Edgartown, Marthas Vineyard (13 nm). Destination depends on “will of the Cruisers”. Stay until Mon. 7/2/00.
  - **Note: (For the 2-week itinerary) If leaving Deltaville on Fri. 6/29 or Sat. 6/30 you could join the group in Cutty Hunk or Newport or Orient Harbor and complete the last 2 weeks of the cruise.**
  - Mon. 7/2/00: Nantucket or Edgartown to Cutty Hunk (46 nm or 27 nm). Arrive early afternoon. Dinner on shore at restaurant or a fresh lobster from the lobsterman.
  - Tue. 7/3/00: Cutty Hunk to Newport, RI (25 nm). Arrive by noon and spend the day in Newport. Dinner on shore. Good point to exchange crews.
  - Wed. 7/4/00: Newport to Orient Harbor (54 nm). Depart in am and arrive at anchorage in Orient Harbor behind Steve Gillispie’s home by cocktail time. Steve is planning a dinner on shore at his place. We can stay anchored or take docks a few miles to the west at Greenport. We will stay here until Friday
  - Fri. 7/6/00: Orient Harbor to Port Jefferson (53 nm). (*Note: This would be an ideal point to break away and head home if you are limited to 2 weeks*).
  - Sat. 7/7/00: Port Jefferson to Oyster Bay (27 nm).
  - Sun. 7/8/00: Oyster Bay to New York City (Liberty Landing Marina-37 nm). Stay here until Wed. morning.
  - Wed. 7/11/00: NYC to Atlantic City (90nm). Stay at Trump’s Casino and Marina.
  - Thu. 7/12/00: Atlantic City to Cape May (38 nm). Spend a leisurely afternoon and evening in Cape May. Some great restaurants here.
  - Fri. 7/13/00: Leave Cape May to home either outside (166nm) or inside (207 nm). Inside the trip can be broken up to 3 day sails. The sail home outside can be in one leg or broken into 2 or 3 legs.
  - Sun. 7/15/00: Arrive home.

## Lockers and Storage

In preparing for demolition of the Fishing Bay Clubhouse members were asked to empty lockers they had been using. The response was excellent but not without problems. It seems that one renter used a surrogate who emptied the wrong locker but hopefully contents will find their way back to the rightful owner.

Now to those who have asked about replacing lockers that are on death row. If there is sufficient interest we will make this happen but given our current space constraints this may not be until well into 2001. And one thing is certain, there will be no lockers in the new clubhouse. Your House Committee Chair, Craig Massey, will welcome your inputs and requests.

On the Jackson Creek side the

ground in front of the lockers has been leveled and gravel put down. A work party is scheduled for March 17 to paint and otherwise improve these lockers. But aside from lockers the club has no space for storing personal property so members who have abandoned floats, canopy frames, bicycles etc are invited to remove these from the screened porch and neighboring areas. Any personal property remaining after 28 February will be donated to the Salvation Army or some equivalent charitable organization. Please help us maintain our property as you would want to maintain yours.

### Club Work Party March 17 Please plan to help

## Race and Social Committee Recruiting

We are at the time of the year when your Junior, Race and Social Committee Chairs will be calling you to help support our 2001 events. Let me quantify this need, starting with race committees. We will need to staff at least 40 race committees with six members on each. This means that each member who races is a candidate for a race committee assignment. And others will be needed with or without experience. And for each of these races we need an event chair to handle the social side. Beyond this there are major activities, like Opening Day, the Memorial Day weekend event, the July 4 Long Distance race, the Annual One Design Regatta and the Stingray Point Light Regatta when we need way more than the normal level of help. Our message is simple. We need help from each and every member to support our programs both in 2001 and every year thereafter. Please accept every opportunity you are offered to help with our 2001 program. You will enjoy being a part of our events.

## FBYC boats & crews headed to Key West

Five Fishing Bay boats are heading south on I-95 later this month to compete in the Yukon GMC Key West Race Week.

Three boats and crews are entered in the 17 boat J-29 fleet, Frank Clawson and the crew of *Liverpool Jarge*, Case Whittemore and the crew of *Patriot* and Bob Wardwell and the crew of *Killshot*. They will be joined by other familiar Chesapeake Bay crews including *Breakaway* and *Joint Adventure* from SMSA and *Night Music* from RSA.

Mike Karn's *Insatiable* is entered in the 10 boat PHRF 10 fleet and Waddy Garrett and Tad Thompson's *Whisky Tango* is entered in the 31 boat fleet of Mumm 30s. They will have plenty of competition.

Follow them on the web <http://www.premier-racing.com/kwrw>. Jan 15-19

## Top 10 Reasons One-Design Sailors Should Join CBYRA:

10. Somewhere in the CBYRA Yearbook there's a phone number for directions to the yacht club you have to find at 6 am the next morning at the end of a dirt road next to a cornfield. (Sound familiar?)

9. Yacht club Junior Programs supported by CBYRA spawn new, talented sailors to GROW YOUR CLASS.

8. You can't qualify for the CBYRA High Point Championship unless you join, and if you can't win High Point, you can't try to beat Henry Amthor at the Star Wars Regatta.

7. Race Committee training organized by CBYRA means that you have a great chance of having a square starting line and a much more confidence you'll do a great job when you do Race Committee.

6. If you choose CBYRA's Golden Anchor membership, you join CBYRA and US SAILING without suffering the 2001 \$10 dues increase for US SAILING. That buys at least 2 Mount Gay and tonics.

5. The Regatta Support Fund – when registration just won't cover the cost of the keg.

4. The Fund for Chesapeake Sailors – when your spouse just won't cover the cost of a spare mast.

3. You get to memorize one more number for your race entry form.

2. CBYRA managed to successfully elect a President for the next term without a recount. Can't say as much for the country right now.

1. Someone else puts together the regatta schedule in January so you don't have to choose between your daughter's wedding and one of your favorite regattas.....you can just blackmail her into scheduling around it!
