## From the Quarterdeck

By the time you read this, the summer sailing season will be over - both the 62nd Annual Regatta as well as the 7th Annual Stingray Point Regatta will be in the history books. Case Whittemore is the new holder of the Brent Halsey Jr. Memorial Trophy. Congratulations, Case! Thanks to all the participants for coming, to the volunteers for running the event - and to our neighbors - the Richardson's and Ruark's for parking and to Ron Hall and Fishing Bay Trace for their lovely lawn and hospitality. Finally thanks to Mike Karn, Event Chair, and David Lee, Race Committee, for a great job.

Watching these events unfold makes anyone realize how much FBYC relies on volunteers to manage and man our events. Countless hours go into planning and staffing our racing programs and regattas, junior week, the new building project, the web site project, our parties and our grounds maintenance. Jobs range from management and planning to food

by Strother Scott, Commodore

service to boat driving to registration and cashier. Many people have pitched in all levels and we thank you for your dedication and time and for making our Club so successful. Noteworthy is Kelly O'Toole who organized the Mt Gay bar and bartenders over the last 2 weeks, paused to deliver her new baby girl on Tuesday, and Saturday afternoon and again Sunday was at the bar, with the new baby, hard at work and having a ball.

Another volunteer work product will show up soon on our new web site [www.fbyc.net](http://www.fbyc.net). One member has been programming for the last 5 months to implement a membership database. Next year we hope to improve member communications, better match volunteers to jobs, and spread the load away from those who do more than their share of the work.

Sometime our systems and/or efforts fail. For instance this past weekend, our water making system did not have adequate capacity for the load. We will

investigate the problem and we apologize for the mistake and the inconvenience it caused for boats at the docks.

Most of you have seen the great progress Arthur Wilton and the Northwind people have been making on the new building. The first floor, including the front and rear porches are framed and covered with plywood sheeting. The massive first floor ceiling beams are installed, the upstairs floor is in place, and soon the second floor wall and roof beams will be installed. I understand the membership has done a good job restraining themselves from supervision of the job - please keep up the good work! Skateboarders, please also stay away! If you have a comment or idea please call John Keodel, Mike Karn, Judy Buis, Connie Garrett or a Flag officer.

Five more donations totaling \$3,500 arrived this past month. In August our fundraising committee mailed appreciation momentos - neckties, scarves, auto medallions, or lapel pins to qualifying members.

## BOARD NOTES

August 14, 2001- Wachovia Bank

### REAR CMDR-DAVID HAZLE-HURST

SECRETARY - Lud Kimbrough - The next membership meeting is Thursday, September 6, at 6:30 p.m. They will be scheduled for the Thursday night before the Board meeting for the remainder of the year.

TREASURER - Mason Chapman - The club has now executed a contract with the builder and the first draw has been paid.

MEMBER AT LARGE - Mike Karn - Social events will be held in a large tent at Fishing Bay Trace during the Stingray Point Regatta. Registration and breakfast both mornings will be at Fannie's House.

GROUNDS - Bob Kates/CLUB MANAGER - Virgil Miller (reported by Dick Cole) - Thanks go to Virgil and Bob for their efforts in getting the grounds ready for the Annual One Design Regatta; to Virgil's staff in launching the boats; and also to the Richardsons for the use of their lot just beyond the club property, which was put to good use for parking.

FINANCE - Strother Scott - A Finance Committee meeting will be held the second week in September.

NEW BUILDING - Judy Buis (reported by Mike Karn) - Framing in the new clubhouse is going up quickly, and the interior beams for the second floor have been set. Mike expects to get a more specific schedule for the construction in the next week or so. Judy's committee is working on kitchen plans. Allan Heyward was instrumental in preparing a contract that both parties could agree on and have now signed. Jan Monnier suggested that some type display, including pictures, be prepared for the Annual Meeting/Awards Party in October.

LONG RANGE - Waddy Garrett (reported by Dick Cole) - The dredging in Jackson Creek has not been done, and we will try to get an exten-

sion on the permits if necessary but we should push to get the dredging done this fall is at all possible.

### VICE CMDR - DICK COLE OFFSHORE DIV. CDR. - Stuart

Burnett - Six boats participated in the Moonlight Race on August 4. There will be a Stingray Point Regatta Tune-up Race on August 25. The Stingray Point Regatta will be held September 1-2; and there are three trophies, other than the regular individual race awards, that will be awarded after this regatta: The Brenton S. Halsey, Jr. Memorial Trophy, the Potts Trophy, and a sportsmanship trophy.

ONE DESIGN DIV. CDR. - Jim Black - 69 boats participated in the 62<sup>nd</sup> Annual One Design Regatta this past weekend. The largest fleet was the *Flying Scot* fleet. The use of two tractors for off-loading and on-loading the boats worked extremely well.

ONE DESIGN RACE CHR. - Jay Buhl - Jay recognized the three Race Committee Chairs - Russ Collins, Brooks Zerkel, and Tom O'Connell - and the Race Committee members for an excellent job of conducting races on three courses. Jay also thanked the many members who volunteered their boats for use during the regatta even though some of them were not needed.

CRUISING - SAM STOAKLEY - Twelve boats turned out for the Horn Harbor Cruise on July 21-22. The Cruising Regatta, held on July 28, had 10 starters with nine boats finishing the race. Charlie and Stella Jones are hosting a Captain's Choice Cruise this coming weekend.

JUNIOR ACTIVITIES - Jan Monnier - The Labor Day Junior Regatta will be held on September 3, and extra powerboats are needed. The Junior coaches have now completed their duties and Jan advised that they did a really good job in encouraging Juniors to participate in the various ac-

## IN MEMORIAM EDGAR EUGENE ROBERTS 10/13/45 - 8/1/01

Edgar Eugene (Gene) Roberts, 3012 Brook Boulevard, Quinton, VA, 23141, died on August 1, 2001 in Salisbury, MD. He is survived by his wife Dianne as well as a son and daughter-in-law, Jon and Lorena Roberts. A member of Fishing Bay Yacht Club since August 1989, Gene served several terms on the FBYC Board. Gene was employed as an Aviation Safety Inspector with the Federal Aviation Administration at the Richmond FSDO and was a proficient pilot. All who knew Gene will also remember him as an avid sailor. Gene sailed Optimists (as a child), Windmills, Mobjacks and a Hunter 35.5. He was once an officer and Chief Measurer of the Mobjack Fleet and hosted the Mobjack Nationals at Fishing Bay in the early 90's. A Celebration of Life Service was held on Saturday, August 11, on the beach at Zoar Church Beach Property in Del-taville, VA. Memorial donations may be made to Save The Bay Foundation.

REQUIESCAT IN PACE

## Thank You

My deepest gratitude is extended to my "Sailing Family" of Fishing Bay Yacht Club for the love and support given to me following the passing of my beloved husband, Gene. Thank-you for providing the on-going cards and letters of cherished memories of the good times together!

Love, Dianne Roberts

## Junior News: 2001 Rolex International Women's Keelboat Cham- pionship

From: Jan Monnier

On Sep 21-23, two FBYC junior women will be participating in the Next Step Program sponsored by the Outreach Committee for the 2001 Rolex International Women's Keelboat Championship. The event will be held at Annapolis.

**Abby Logan** wrote a very creative 100 word essay about sailing, her sailing experiences, and what she thought she would gain from spending a weekend at the opening of the Rolex IWKC with elite women sailors. Her sailing resume sealed her selection! **Lucy KupperSmith** is also participating, however, I don't have all the details on how she

was invited... but no doubt her stellar racing resume was a key factor ☺

The Next Step Program was established in 1997 to expose juniors to the high end of women's sailing in a mentoring type atmosphere. This year's program starts off with a welcome party and workshop at J Port Annapolis, featuring asymmetrical sailing aboard J/80s provided by J Port Sailing Club and J World Annapolis with some of the Rolex IWKC competitors.

Saturday features a J/22 clinic with America's Cup sailor, Tucker Thompson, author of Tucker's Tips, and former US Sailing Instructor Trainer Nan Leute Walker, now Director of J Port Sailing Club. Sunday morning Olympic Silver Medalist and Rolex Yachtswoman of the Year Pease Glaser will talk about her Olympic experiences over breakfast at Annapolis Yacht Club.

Sunday afternoon, participants will be guests of former US Sailing President Jim Muldoon, aboard his Custom 70 Donnybrook for lunch and to observe the Rolex RIWKC practice race.

Congratulations to our young women sailors!

## Women's Portsmouth Races

Only two boats competed in the races held Sunday, August 26th. Jan and Mike Monnier in her Flying Scot and Lori Moyer and crew in a Frontrunner match raced in light air on the prettiest day of the summer. The competition was tight as the ladies sailed their boats very well. Thanks to Paul Howle, Doug Margaree, Bill Spencer and Ray Toms for their watchful eye and attentiveness as Race Committee.

## WINDSURFING AT THE CLUB

By Tim Oksman

During Junior Week, there was a keen level of interest in windsurfing shown by both juniors and parents. Over fifty juniors asked to take the Introduction to Windsurfing course, and many of them came back to windsurf on a voluntary basis after normal afternoon classes were complete. Student Instructors John Whittet, Jamie Bokinsky, and Conway Jennings helped Instructors Tim Oksman and Dr. Gary Bokinsky handle the large classes. Gordon McCormick lent his windsurfer for use by the students. Master Instructor Pete Wells, from Beach Sports in Hampton (the windsurfing shop) also instructed and lent equipment for one day, at no cost to the club.

Responding to this level of interest, our Junior Chairperson, Jan Monnier, asked the club to purchase two complete windsurfers. The board approved their purchase, and they are ready to be used. The boards are wide, stable, and floaty, making them ideal for both juniors and adults. One of the sails is small enough to be used by younger juniors (around age 11). The other sail is larger and is properly sized for older juniors and novice adults. The boards - which look supercool - are on the racks next to the Junior Shack. The sails are kept fully rigged in the Shack, ready to be used. Because the sails are already rigged, all that is necessary is to attach the rig to the board, a simple process which takes less than ten seconds, since the boards are equipped with quick-release universals. (We tried to think of everything ☺)

Like all one-designs owned by the Club, the windsurfers are available for use by all members, including both juniors and adults. A list of protocols for windsurfer use is posted inside the door to the Junior Shack, along with an instructional manual and a list of club members who already know how to windsurf and have volunteered to provide instruction when they're at the Club and available.

Members are encouraged to use all the Club's boats - Byte, Lasers, Optis and 420s and the windsurfers.

\* There's no charge

\* There's no requirement of prior reservation (unless you want to use the boat during a regatta- contact the Junior Chairperson)

\* Prior permission is not required from any official

\* Use is not restricted to racers or participants in any program.

All that's needed is for the member (adult or junior (with adult supervision) to sign the boat/windsurfer out on the clipboard in the Shack and go have fun sailing! If there is a problem with one of the boats, please note on the clipboard for "Needs repairs."

These boats/windsurfers were purchased by the Club for the use and enjoyment of all members.

Use them, enjoy them and treat them as if you owned them...

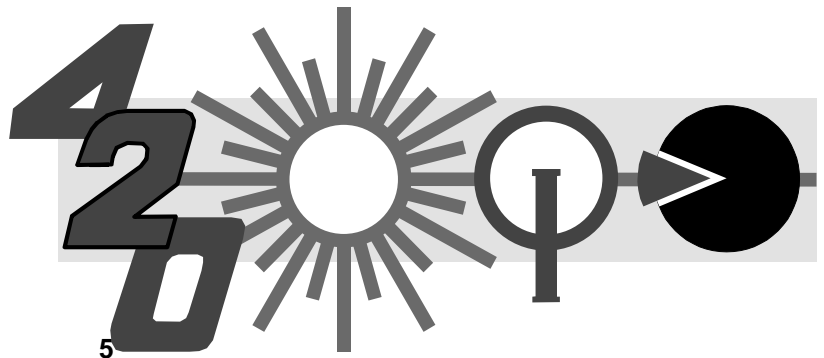

## One Design Away Regattas

**Ware River Governors Cup**  
Meg and Tom Roberts and Jim, Morgan and Joanna Lytle placed second and third respectively in Mobjacks in this regatta the first weekend in August near Gloucester. WYRC ran a great regatta and so close to us! Mobjacks, Hamptons, Buccaneers, Moths and lots of Juniors in Lasers.

### Mobjack Nationals

Jerry and Cheryl Desvernine and Meg and Tom Roberts represented FBYC's Mobjack Fleet One at the Mobjack Nationals hosted by Southern Maryland Sailing Association August 17-19 in Solomons, MD. 17 Boats competed. Len and Heidi Guenther, who placed second in FBYC's Annual Regatta are the new National Champions. SMSA's Lightning fleet ran five great races.

**Norfolk Yacht and Country Club. (Labor Day Weekend)**  
FBYC's Anna Cobb crewed on the winning Flying Junior team from ODU. Jerry and Cheryl Desvernine and Meg and Tom Roberts competed in Mobjacks along with seven other teams. There were also fleets of Hamptons, Lasers, Optimists & 420s.

## Stingray Volunteers Come Through!

Fishing Bay Yacht Club just hosted another big event over Labor Day Weekend and like so many other Club events, the Stingray Point Regatta was one of the Bay's finest. This regatta featured excellent work by many volunteers, great weather and a terrific group of competitors. That combination produced exciting racing and enjoyable social functions. There was only one hitch in the proceedings. I never had a chance to properly thank all those who pitched in and helped. Many of these folks began planning for this event months ago and worked through Sunday night to give our members and guests a weekend to remember.

### MANY THANKS TO:

All the volunteers who manned the beverage service and *Kelly O'Toole* who recruited them, coordinated mixers with *Strother Scott* and *Blair Curdts*, helped plan breakfast, acquired the wrist bands and punched tickets at the food lines. *Ron Buchanan* who designed and obtained

those meal tickets. *Courtney Johnson* who showed up early to serve breakfast. *Jean Cole* who stepped in and set up Friday's cocktail party and those MORC sailors who tended the bar.

*Stuart Burnett* for putting together the Sailing Instructions and organizing the Potts Challenge. *Mark Wensell* who abstained from the rum until the results were in. *Alan Heyward* for setting up the Protest Committee and *Tim Blackwood* who we were happy to see come out and chair it. Trophies were ordered, picked up, displayed and handed over by *Randy Alley*, but he still had time to help set up and clean up.

*Tom Roberts* ordered and picked up the T-shirts on Friday night since Fishing Bay was on his way from West Point to Norfolk. *Bob Kates* who had the grounds looking marvelous. *Virgil Miller* and staff who set up, directed parking, and cleaned up. *Willard Strickland* who kept the copier working and folded T-shirts.

*David Lee's* Race Committee of *Mary, Jen, Jim, Andrew, Marcia, Courtney, Carolyn Phil, Susan*, who did a fabu-

lous job in a variety of conditions.

The Commodores, *Strother, Dick* and *David* who were always around to solve problems, lend a hand and make sure the Club was a fitting host to all our participants.

A special thanks to *Ron and Alice Hall* for the use of Fishing Bay Trace and *Lavinia Ruark* for the temporary parking lot.

It is very difficult to name all that contributed, so accept my apologies if your name was forgotten for I am sure your efforts were not overlooked. Oh Yes! I did forget a few. There are six who stepped up and took on anything and everything that was thrown their way. *Julie Chapman* who worked the registration table, sold T-shirts and filled in at every opportunity. *Molly Howle* who sold ice, set up tables, hung lights and banners, brought out and put away more stuff than three trucks could hold. *Doug Moyer* who arrived early to make coffee and set up breakfast then stayed late to tidy up and fold tables while taking care of an eighteen item to-do list in between. *Mason Chapman* who took in the entries, manned registration, sold T-shirts, kept the beer on tap, guarded the mixers, paid the vendors, collected the money and gave out Mt Gay hats. *Lori Moyer* who masterminded the registration process, hired and coordinated the caterer, answered the phone calls, made many of the to-do lists, produced the skipper packages and kept us sane on Saturday morning. Then there is *Paul Howle* who put more miles on his feet and tires than the milk man and the mail man combined. He was everywhere for three weeks, planning and setting up tents, beer and ice trucks, generators, lights, banners, food beverage, marks, printing and everything you can ever need at a regatta. The event would not have been such a success without the hard work of these folks. They all need a week's vacation to catch up on their lives but we can only offer thanks!

Thank You All!  
Mike Karn

and Windmill skipper who passed away suddenly on August 1. Racers were treated to good wind and fair weather during racing. An approaching storm chased everyone off the water Saturday but served only to cool things off for dinner. Tractors were again used to launch boats and Willard Strickland organized a great North Carolina BBQ dinner. Randy Alley and Strother Scott were all over the race courses taking action photos which were incorporated into Sunday's trophy's. Dick Cole and his large committee of volunteers did a great job and all looked relaxed doing it!

## FLEET LT. - Kelly

O'Toole – Kelly requested that anyone using the *Mr. Roberts* and the chase boat clean up behind themselves and that all trash be emptied when leaving the boats.

## TROPHY CHR. – Randy

Alley – Randy took pictures of all the boats during the Annual One Design Regatta and used the pictures on the trophies. He reported that he is coming in well under budget for trophies this year.

NEW BUSINESS – After discussion, Mason was instructed to update the computer at the club and other needed equipment and to get the computer set up so that the scoring program can be used to calculate race results promptly, print and post the results to the web site. Mark Wensell will assist.
