

## FROM THE QUARTERDECK

MARCH 2009

In a previous column, I briefly discussed the work of the Special Committee tasked with drafting the rules for "Private Use Of FBYC Club Facilities". These rules were approved at the February Board Meeting and will be included in the 2009 Sailing Events Book.

They will also be printed in next month's edition of *The Log*. To the extent anything in this column is inconsistent with the Rules, the latter shall govern. Many thanks to the Committee chaired by Mayo Tabb and including David Hinckle, Ric Bauer, Matt Braun, Janie French and Mason Chapman. We all enjoyed Mayo's cooking, and wine cellar for our deliberations.

Although Mayo brought this issue to a speedy conclusion, work on this concept and related rules has been underway for several years, particularly by Allan Heyward and Ric Bauer, and was needed. The Club's treatment of this issue had been *ad hoc*, with the result that some members felt that occasional allowances of private use reflected favoritism. These rules will cure that appearance and create an even-handed process for granting exclusive private use of certain club facilities on specific conditions.

No member should be alarmed that we have radically changed the use of the Club's facili-

ties to social purposes, or that private uses will regularly inconvenience members or club activities. To the contrary, private uses will be the exception, and they will be constrained in number, time, duration and frequency, by the process.

The rules do not apply to smaller, informal, non-exclusive gatherings of members and their guests.

They are intended to govern events like smaller weddings and receptions, or other family celebrations of members. One such event will be a wedding reception in late September.

Most important, the Club's focus will remain on sailing activities and providing an inclusive atmosphere for members. With the exception of a few situations in which we reach out to community organizations, only a member may make a reservation and the member must be present throughout the event; no commercial or fund raising uses will be permitted and state occupancy standards must be adhered to. Only parts of the main clubhouse and its surrounding area may be reserved.

We do not anticipate, for example, allowing a member to reserve the upstairs *and* downstairs of the main clubhouse simultaneously. The outside bathroom doors will remain open; and the Pool Pavilion, Fannies House and the Bath House porch will not be available for exclusive private use. For these and safety reasons, the pool and club boats will be not available for private use, and the Fishing Bay dock will not be available exclu-

sively.

Appropriate signage will be used to minimize member intrusion and embarrassment. Events of a certain size must hire a Sheriff to direct parking, but private uses may not use ancillary parking generously allowed by our neighbors, such as the Richardson Field, or obstruct the Jackson Creek lot or One Design boat storage.

The timing of the reservation protocol is designed to protect our sailing events and the interests of our neighbors. Certain principal dates in the Club's calendar will not be available at all. Any private event that plans to have music or a DJ, must propose the reservation *before* the annual letter goes to neighbors in February designating music engagement dates for the year.

Requests must be made 5 weeks in advance and no reservation will be finalized until after the Sailing Events calendar has been completed for the year and coordination of the private event with sailing events has been achieved with the leadership of the affected sailing division.

The rules are not designed to create a "profit center" because the fee structure will be modest, but they are designed to protect our facilities with a reasonable deposit, requirements that only approved contractors and caterers be used, that clean-up and trash expenses be reimbursed, and that all alcohol beverage control laws be adhered to.

Meeting called to order at 6:05 p.m. by Commodore Noel Clinard.

**REAR COMMODORE – DAVID S. HINCKLE**

**HOUSE** – Ken Odell and Dixon have checked on all of the buildings to determine maintenance items that need to be taken care of before the club opens for the season.

**DOCKS** – Tom O’Connell reported that all slips have been rented and seven pilings on the middle dock will be replaced when the weather allows. The Fishing Bay long-term dock planning committee will meet again next week.

**SOCIAL** – Online registration is available for the Bermuda High party that will be held on March 6 at Janie French’s home and also for Opening Day.

**GROUNDS** – Spring Clean-Up Day is March 21. Mike Dale is ready to renew the contract with Atlantic Lawn and Landscaping for another year at no increase in price.

**WEBMASTER** – The 2009 event data has been entered on the web site. The cascading lists are working when you “mouse over” the links in the banner and Strother Scott has had to move some of the links around to make them easier to find. Strother advised that the club has subscribed to a SPAM protection service from Google called Postini. It has been in operation for about 10 days and has blocked thousands of SPAM messages.

**VICE COMMODORE – C. MAYO TABB, JR.**

**FLEET CAPTAIN** – Allan Heyward reported that the Sailing Events Book is not yet complete but he is making progress as additional information is posted online. The Coast Guard has been notified of our 2009 racing events. The 2009-2012 Racing Rules Seminar will be

held March 18 at the Branch House. Registration for the seminar can be made online. Crew training will be held at Retreat Hospital on March 26, April 2 and April 7.

**OFFSHORE DIVISION** – Alex Alvis has been in discussion with Ron Mihills of Rappahannock River Yacht Club about the racing event usually held with FBYC during the Memorial Day weekend. Plans are being worked out for a somewhat different event this year because some members from both clubs who usually participate in this race will be doing the Down-the-Bay Race instead. Rick Klein is working with the instructors of the March 14 Race Committee training seminar to organize the event. Brooks Zerkel has arranged for use of the gym at New Community School for the seminar. Seminar leaders will be Rick Klein, Mike Dale, David Lee and Brooks Zerkel.

**ONE DESIGN DIVISION** – Matt Braun advised that too many people are doing double duty as PRO for one design events and more people need to be trained to take on this important task. All one design events are listed on the web site with registration data. Matt Lambert still needs two more people to head up race committees.

**CRUISING DIVISION** – Ed O’Connor reported that all cruises are set and the first event is a Welcome Cruisers social at the club on March 28.

**JUNIOR DIVISION** – Jay Buhl reported that junior activity is ongoing with a visit to the Orange Bowl in December, the USNDT in January, and the Valentine Regatta in February. The juniors are prepping for Team Trials in May. There was a CBYRA Junior Scheduling meeting in Annapolis on January 27 to co-ordinate club

schedules. FBYC has been awarded the Virginia State Championships event for 2009 and Jay will serve as Event Chair. It will be held in conjunction with the club’s Annual One Design Regatta. The Junior web site is now current and taking registrations for OptiKids, Junior Week and Race Teams.

**FLEET LT.** – The damage to the Wildcat engine was not as bad as expected and repairs have been made.

**CBYRA DELEGATE** – Tom Roberts advised that the Northern Bay high-points award party was held at Gibson Island Yacht Club. The Southern Region IV awards party will be held at Hampton Yacht Club on February 24. Northern Region IV awards will be presented at the Bermuda High Party on March 6, including any Junior awards not presented at the Northern Bay party.

**OLD BUSINESS**

Mayo Tabb presented the “Private Usage of FBYC Club Facilities” guidelines and the “Facilities Usage Request” form that are being recommended for adoption by his committee. After going over some of the highlights of the documents, there was considerable discussion resulting in a few revisions. The Board approved the guidelines and request form, including the revisions. The guidelines will be added to the “Club Rules” found in the Sailing Events Book and the request form will be available online and from Mary Spencer.

There being no additional business, the meeting was adjourned at 7:15 p.m.

**JUNIOR PROGRAM**

**FBYC JUNIOR SAILING 2009 SEASON**

*REGISTRATION IS UNDERWAY!*

Thanks to the dedicated efforts of Jay Buhl and Strother Scott, the FBYC Junior Program web pages are now reorganized and updated to reflect complete, current information about OptiKids, Junior Week, Opti Development Team, and Opti and Laser Race Teams. If your questions are not answered after reviewing the web pages, call or email Alison Lennarz (757-876-1377; avlennarz@kaufcan.com) for additional information.

The parents or guardians of all participants must complete the following three documents for each participant: (1) Program Registration Form, (2) FBYC Consent and Waiver Form, and (3) Medical Consent and Information Form. Items (2) and (3), the Conesnt and Waiver forms will be mailed separately to those who register by mail for completion, signing and return to the registrar. Although paper registration forms are included with this month's Log for OptiKids and Junior Week, on-line registration is well underway for these programs and is the easiest way to insure that the necessary information is received in a timely manner. On-line registration also significantly facilitates the work of the volunteer Junior Program registrar and coordinators, and we greatly appreciate your consideration in using the on-line registration.

**Key Junior Program dates:**

- April 1 Earliest date a Club Opti may be committed to a non-FBYC member
- April 20 Deadline for Early Registration Discount
- May 15 Deadline for Junior Program Registration
- June 13-Aug. 15 Opti and Laser Race Teams
- June 13-14 OptiKids
- June 20-21 OptiKids
- June 22-26 Junior Week
- June 26-Aug. 15 Opti Development Team

**Going South for the Winter**

Birds aren't the only ones who fly south for the winter. Several FBYC junior sailors also migrated to warmer temps to maintain their sailing edge.

**Orange Bowl -- Miami, FL**

Three junior sailors participated in the 2008 Orange Bowl International Youth Regatta sponsored by Coral Reef Yacht Club, December 27-30. <http://www.coralreefyachtclub.org>. Kyle Swenson competed in the 110-boat Laser Radial fleet; Kendall Swenson raced against 218 Opti sailors on the Red/Blue/White course; and Hannah Steadman was one of 57 Optis sailing in the Green Fleet. Weather conditions at the Orange Bowl can swing dramatically on Biscayne Bay. Recently competitors have experienced 20-25+ mph winds accompanied by 3-4 foot waves to light and lumpy conditions. This year, all three sailors were treated to ideal conditions of 20+ mph breezes that moderated throughout the week, giving them a wide variety of sailing conditions. Throw in clear blue skies and average 80 degree temps throughout the week and the venue offered by Coconut Grove made it an enjoyable week for sailors

## SPRING CLEAN-UP IS MARCH 21

Mark your calendar and plan to lend a hand; Spring Clean-Up is set for Saturday, March 21. Bring your favorite work gloves and maybe a lawn rake or pitch fork, and be ready to reconnect with old sailing friends and make some new ones while sprucing-up the grounds of the prettiest yacht club around.

Coffee and doughnuts will be ready in the main clubhouse by 8:30 a.m. We'll break into teams and start tackling various projects at 9:00. With a good turn-out, we should finish up by Noon or a little after, at which time pizza and "beverages" will be provided in the main clubhouse.

Please sign-up on the web site or call Mike Dale, 347-7409, if you plan to attend so that we can be prepared. Come, join the fun and make a difference.

Mike Dale

### IN MEMORIAM

BARBARA B. BOUIS-SQUIRES

3/24/31 – 1/14/09

Mrs. Barbara B. Bouis-Squires, formerly of Kilmarnock, and for the past eight years of Quakertown, PA, died on January 14, 2009 while on a family visit to White Stone, VA. She was the widow of John Eben "Jeb" Bouis and Charles "Chuck" Squires. She is survived by her sons, Jeb Bouis, Jeremy Bouis, and Michael Bouis; a daughter, Deborah Bouis; stepchildren Brad Squires and Ann Squires Haun; 10 grandchildren and two great-grandchildren. Barbara's family moved to White Stone in 1961 and her first husband, Jeb Bouis, ran the Bunker Hill Dairy in Kilmarnock. She was the owner and operator of Gallery 1, an art gallery in Kilmarnock. Barbara was an avid sailor for most of her life. She became a member of Fishing Bay Yacht Club in 1991 when she married Chuck Squires. Later that year, Chuck was elected to Life Membership by the Board of Fishing Bay Yacht Club. She and Chuck sailed *Sweetie*, a Pearson 33, up and down the East Coast and in the Caribbean. Barbara was also a member of Rappahannock River Yacht Club. A memorial service will be held at a future date.

## Membership Update

**APPLIED FOR MEMBERSHIP:** The Membership Committee recommended that these applicants be placed into circulation:

**Mr. Richard C. McClain, Jr. & wife, Mary Ruth Burton**, 3801 Tomacee Road, Richmond, VA 23221. Rich has been a long-time sailor off New England, in the Caribbean and in the Chesapeake Bay. He and Mary Ruth currently own a Grady White powerboat, and he served as Commodore in 1994 of the Virginia Powerboat Association. He crews for other skippers on sailing vessels and occasionally charts a sailboat. He is now interested in returning to sailing and will possibly purchase a cruising sailboat. Rich and Mary Ruth have three daughters but only their 18-year old, Beth, is young enough to be included in the family membership. Sponsors: R. Noel Clinard; Michael W. Karn.

**Mr. & Mrs. George O. Sadler**, 1700 Hunt Meet Circle, Virginia Beach, VA 23454. George and Frances are interested in the cruising activities offered by FBYC and have already participated in some of the club's cruising events. They both have sailed on various boats in many locations for about 50 years. They have chartered boats on the Chesapeake, up and down the East Coast, in Europe and in the Caribbean. Both have had extensive training in boating/sailing skills and water safety/first aid through the U.S. Coast Guard Auxiliary, Red Cross and other organizations. They are members of the Seven Seas Cruising Association. George and Frances own a Shannon 43 sailboat and a Shamrock 26 powerboat. Sponsors: John G. Koedel, Jr.; Sam & Nancy Stoakley; George W. Burke, III.

**MOVED UP FROM FAMILY MEMBERSHIP:** Ms. MacKenzie Karn (*Family of Michael W. Karn*); Ms. Christin C. Lipscomb (*Family of James F. Lipscomb, Jr.*); Mr. & Mrs. Massey Whorley (Abigail Logan) (*Family of J. Durwood & Deborah Usry*).

**DEATH:** Mrs. Barbara B. Squires (Life Member).

**RESIGNATIONS:** Mr. & Mrs. Arthur Backstrom, Jr.; Mr. & Mrs. Russell H. Dixon; Drs. Robert S. & Alicia MacWright; Mr. & Mrs. William J. McCarthy, Jr.; Mr. & Mrs. J. Burke McCormick; Dr. & Mrs. Stephen S. Radcliffe; Mr. & Mrs. Albert D. Seim, II; Mr. & Mrs. Preston S. Smith; Mr. & Mrs. Willard D. Vest.

## Junior Sailors Have a Brush with Gold

Ben and Anna Tunnicliffe with her Gold Medal from the Olympic Games in China.

Ben Buhl and Austin Powers participated in the US Optimist National Development Team practice in Ft. Lauderdale mid-January. The sailors were housed by local families and were required to run and participate in fitness drills before each day's practice, followed by extensive chalk talks when they came off the water. Ben and Austin practiced with some of the best Opti sailors in the country and received high level training from top international sailors, including Olympic Gold medalist, Anna Tunnicliffe. "Ft. Lauderdale was awesome...nice people, huge mansions, great weather and Anna Tunnicliffe," reflected Ben Buhl. "I got to touch an Olympic Gold Medal from the 08 Summer Olympics and get my picture taken with Anna Tunnicliffe!" (See attached file: anna T with Ben.JPG)

of 20+ mph breezes that moderated throughout the week, giving them a wide variety of sailing conditions. Kyle Swenson participated in a three-day high-performance Laser clinic hosted by Ryan Minth and Zach Railey before the regatta. The chalk talks on shore and time on the water combined to help him hone his strategy, boat speed, and conditioning techniques.

All three sailed very competitively during the week with the Swenson siblings having their fare share of BFDs. Kyle was surprised to learn he was one of 42 (!) in the first race of the regatta to get an OCS. Kyle Swenson finished 40. Kendall came in 109. Hannah finished the regatta in 41. All three sailors made new friends and came away from the week in Miami with sharpened skills, great memories, and nice tans.

#### Valentine's Day Regatta -- St. Petersburg, FL

Four FBYC sailors sweetened their Valentine's Day by sailing in the St. Petersburg Yacht Club Valentine's Day Regatta. <http://www.spvc.org> Beautiful, sunny weather warmed the sailors who contended with light, steady conditions and heavy

currents throughout the weekend. The large number of Optis were split into Gold and Silver fleets, with 161 in the Gold and 44 sailing on the Silver race course. The Gold fleet was able to complete three races on their course while the Silver fleet logged two races for the regatta. The following finishes in the Gold Fleet are: Kendall Swenson (16); Alexander Hanna (42); Eric Roos (89); Carolyn Corbet (92). Meanwhile, Hannah Steadman served notice to her fellow Silver Fleeters by finishing the regatta in tenth place overall and 3rd girl!

#### CBYRA High Point -- Gibson Island

CBYRA held its annual High Point Award Ceremony at Gibson Island Yacht Squadron on February 7. All fleets were represented at this gathering, which was particularly well attended this year.

For the second year running, the FBYC Juniors dominated the standings in both the Opti and Laser Radial classes. Our program is widely recognized as a leader on the bay for the consistently strong performance our juniors turn in at local, national, and international events. In the Opti Class, FBYC claimed the overall winner as well as first place in the girls division. Our

juniors also claimed 3 of the top 5 positions and 4 of the top 10.

1st place and overall winner, 2008 High Point Champion – Alex Jacob

3rd place- Ben Buhl

4th place Austin Powers

8th place, and first girl Kendall Swenson

In the Laser Radial Class, FBYC also claimed the overall winner. FBYC had another strong performance with 2 of the top 5 spots in the Radial class.

1<sup>st</sup> place and overall winner, 2008 High Point Champion Kyle Swenson

3<sup>rd</sup> place Madeleine Alderman

5<sup>th</sup> place girls division Mary Catherine

Buhl. 2008 marked the first year that Corum has sponsored the CBYRA High Point Junior Program. As a sponsor,

Corum provided embroidered red jackets to all high point champions and a perpetual trophy to reside in the club's trophy showcase. Corum also provided \$2,000 grants to these class winners. Kyle will receive the grant as he begins college. It will be awarded to the sailing program (or program of his choosing) of that university in Kyle's name.
