

## FROM THE QUARTERDECK

MAY 2011

I certainly hope we don't see another Opening Day Weekend like this one again! As many of you already know, Middlesex County and Deltaville were particularly

hard hit by an EF2 tornado on Saturday evening April 16 at the time we were holding our Opening Day Weekend dinner. While the Club was not in the path of the tornado and sustained no direct damage, many of our members were impacted to varying degrees. As a member of the Deltaville community, we are all saddened by the loss sustained by the community and are investigating how we and our members can contribute to reconstruction efforts. Please be on the lookout for additional notices from the Flag Officers on this point.

Our Opening Day racing was curtailed by the weather system moving through the area on Saturday and racing on Sunday was cancelled. However, during the week before Opening Day the club was packed with people participating in four separate events, Crew Training, the Flying Scot Tune-up, the first Front Runner race of the year and a training session for our 2011 Principal Race Officers.

Jerry Latell and David Neff demonstrated the ins and outs of making a Flying Scot go fast to over 40 one design sailors. John Hubbard and John Beery did a great job organizing this event drawing sailors from FBYC, RRYC, and GRSA as well. By the accolades that I heard from some of the attendees the program was very informative and should help our sailors to

get the most out of their boats. If the interest shown at this seminar is any indication of things to come we can expect lots of great sailing from the Flying Scot Fleet.

The crew training group concluded their course with 12 trainees participating in the final "on the water" phase of the program. The class of 2011 had 19 members who came to the program with varying levels of experience. Some are already experienced sailors while others were brand new to the sport; all agreed that the course was most helpful and very well directed. You will probably see some new faces on the race course and around the beer barrel this spring so introduce yourself and make them feel welcome. This program is so important on two levels, our skippers can recruit much needed crew and we introduce new people to the sport of sailing and to Fishing Bay Yacht Club.

The Front Runner fleet sailed their first races of the season. Six boats competed in relatively light winds completing 3 races. According to Matt Braun the light winds provided the skippers and crews the opportunity to reflect upon many things concerning the sport of sailing. Unfortunately all they came up with is that "Beer is food!" Matt Braun and Melissa Orndorff took the first place honors, Kevin Cross and Matt Lambert were second followed by Mark Stephens and Jen Giles in third.

Rounding out a busy Saturday about 20 people showed up for the PRO training session. David Lee discussed the details of running a proper race course considering winds, currents and tidal changes. The session concluded with an open discussion of some of the pitfalls our PROs have encountered in the past and potential

remedies. I look for our Race Management program to continue to improve in the coming season.

These four events were merely the start of what is shaping up to be a great season at FBYC. Further in this issue you will read about the new and improved Stingray Point Regatta. This event will be vastly different from the Stingray's of the past and will encompass three days of racing and parties. On Friday there is a distance race planned. This race is scored separately from the Saturday and Sunday races. It will be a low key fun race where everyone is welcome. There will dinners both Friday and Saturday with live entertainment afterward. The Saturday dinner will be a sit-down affair, not a buffet. On Sunday there will be a traditional Labor Day family cookout. If you have not been to this regatta in a few years you will want to put it on your calendar. Even if you are not racing on a boat you don't want to miss the party. For more information visit the regatta website at [www.stingraypointregatta.org](http://www.stingraypointregatta.org).

As we now have begun the sailing season I would like to take this opportunity to recognize the efforts of the many volunteers who have put our programs together. To the casual observer Fishing Bay Yacht Club runs like a well oiled machine. It takes a tremendous amount of volunteer work to make things go smoothly or at least appear to go smoothly. To the many people who attended scheduling meetings, helped with marketing and yearbooks, organized special events and socials, and otherwise helped to prepare for this year's programs, a heartfelt thank you from a grateful Flag.

### 2011 Membership Regatta

Membership Goal: 30 / Members Approved: 5

**David Hinckle**  
Commodore

**Alex Alvis**  
Vice Commodore

**George Burke**  
Rear Commodore

**Noel Clinard**  
Secretary

**Mason Chapman**  
Treasurer

**Cyane Crump**  
Log Streamer

*Meeting called to order at 6:00 p.m. by  
Commodore David Hinckle*

**REAR COMMODORE - GEORGE W. BURKE, III**

**SECRETARY** – **Noel Clinard** advised that since the “circulation” process for a new applicant is now handled by email notice following the Board meeting, a change in the Membership Guidelines to reduce the process from two months to approximately one month was in order. Upon motion duly made and seconded, the Board approved Noel’s motion.

**TREASURER** – **Mason Chapman** advised that absent unexpected expenses, the club should be able to pay off the Note in full by the end of this year.

**HOUSE** – The new security system going in at the club will have several additional cameras, some of which may be placed outside. Information from the security cameras will be accessible through the internet.

**DOCKS** – The surveyor has done the initial survey of the existing Fishing Bay dock. He will return in the next two weeks to install a PVC marker and will supply a survey plat.

**GROUNDS** – The east bath house septic repairs have been completed and Ken Odell is awaiting inspection of the distribution box repair. Brownley Septic will prepare a document for Ken to send to Middlesex County stating that the club has all three septic systems pumped out annually. The one design repair hoist beside the barn is a manual or hand-cranked hoist. After seeing it in operation, George Burke will decide if there needs to be any written rules pertaining to its use. The trim on the pool pavilion will be re-painted and normal pool opening maintenance will begin soon.

**LONG RANGE PLANNING** – **Lud Kimbrough** and **George Burke** attended the U.S. Sailing Yacht Club Summit in Chicago. There is a link at [www.USSailing.org](http://www.USSailing.org) for the online presentations.

**WEB MASTER** – **Strother Scott** circulated an email update on the new News Posting system. His programmer has another 15-20 hours of work to do on the project.

**MARKETING** – The new logo stickers are in for distribution. The web site is up for the Stingray Point Regatta at [www.stingraypointregatta.org](http://www.stingraypointregatta.org) and there is a link on the club web site. Registration needs to be set up online.

**VICE COMMODORE - ALEXANDER ALVIS**

**FLEET CAPTAIN** – **John Wake** reported that David Lee led 24 participants in a discussion at a PRO training meeting. The Coast Guard has approved our events for this year.

**ONE DESIGN DIVISION** – **John Hubbard** reported that 40 people attended the Flying Scot Seminar on April 9 and six boats turned out for the Front Runner Regatta.

**CRUISING DIVISION** – **Joe Schott** asked that cruising

event registration be added to the club’s web site.

**JUNIOR DIVISION** – OptiKids and Junior Week classes are full and there is a waiting list for anyone who would like to register. There are 33 registrants for OptiKids and 107 for Junior Week. The coaching agreement with Dingo Canuto has been terminated because of unforeseen circumstances. In his place, the Junior Program has hired David Tunnicliffe of Norfolk. Scott Collins advised that NOR’s for the Virginia Commonwealth Championship Regatta will be posted online next week.

**FLEET LT.** – **Doug Anderson** reported that the Coast Guard approval forms are on Mr. Roberts. The Board agreed to allow the Coast Guard Auxiliary to inspect club boats.

**TROPHIES** – **Carrie Russell** brought a sampling of the trophies that will be awarded this year - Tervis Tumblers; polished recycled pewter plates; porcelain plates showing a map of Fishing Bay, the club’s logo and scoring place; and fun gifts for the junior racers.

**OLD BUSINESS** – **Alex Alvis** and **Joe Schott** attended the March 29 informational meeting at Rappahannock Community College pertaining to OpSail 2012. There will be tall ships in Norfolk and a June 12 parade up the Bay. Communities and yacht clubs can participate. Alex will determine if there is any interest in an observation boat.

**David Hinckle** reported that the Jackson Creek dredging project is still under planning and some progress is being made; however, he does not know when dredging will begin and there is no estimate on the cost. It is hoped that permits will be in by the end of the month.

**NEW BUSINESS** – **George Burke** discussed the new National Sailing Hall of Fame that will have its headquarters in Annapolis. Funds are available to purchase the property. Contributions are invited from any yacht club that would like to be a “Founding Club.” Contributions from yacht clubs will be matched by certain individuals and minimum contributions from yacht clubs should be in the amount of \$10,000. George said he did not think FBYC has a mission to do this on its own but that there could be members who are collectively interested in having FBYC be a Founding Club. Tax deductible donations from club members could be combined and donated on behalf of FBYC. George called for a Statement of Resolution that the club support a sub-committee to find out if there are club members interested in donating to this cause. Strother Scott volunteered to head the sub-committee. The Statement of Resolution passed.

There being no other business, the meeting was adjourned at 7:20 p.m.

**Membership News**

**FINAL APPROVAL:**  
Mr. & Mrs. Christopher Rogers  
Mr. & Mrs. William H. Street

**APPLIED FOR MEMBERSHIP:**  
Mr. & Mrs. Douglas S. Bendura  
*(write-up sent to membership by email  
notice on 4/15/11)*

**MEMBERSHIPS REINSTATED:**  
Mr. & Mrs. William F. Bowie  
Dr. Scott A. Turpin

## *Junior Sailing*

The Junior Sailing leadership is in full planning mode for another great summer of sailing and fun. This includes Opti Kids and Junior Week as well as the Virginia Commonwealth Regatta, which will take place at FBYC on Saturday, June 25 and Sunday, June 26. Please mark the dates on your calendar and plan to participate. More information on the schedule will be available in the coming weeks.

Due to completely unforeseen circumstances Dingo Canuto will not be returning to FBYC as originally planned. Although we are very disappointed, we are delighted to report that David Tunncliffe has agreed to coach at FBYC in Dingo's place. David has been on a sailboat since he was 2 years old. He started racing in England in optimists when he was 7 years old. David's family moved over to Ohio when he was 10 years old, where he continued in Optis for 2 more years. After sailing locally in optimists, David teamed up with his sister Anna to sail in the Bemis Championships. A year later David jumped into the Laser. He sailed the Laser for 14 years and has competed all over the country.

David attended Old Dominion University and was on the sailing team. He had the opportunity to sail FJs, 420s, and Lasers throughout his 4 years, and was voted Team Captain, and MVP in his senior year. David has coached all different types of classes, age groups, and skill levels. He has had the opportunity to work at ODU as an assistant sailing coach, and this past spring he was invited to be a guest coach at Fordham University. In short, David is a highly regarded coach, and we are very fortunate to have him at FBYC this summer.

Pull out your flipflops, dust off your life jackets, and wipe your sunglasses--summer is just around the bend!

## *Route 33 Improvement Project in West Point*

*Traffic on Rt. 33 will narrow from four lanes to two lanes at the West Point Creek Bridge approaches*

Roadway improvements on the approaches to the West Point Creek Bridge will require lane closures on Route 33 in West Point over the next 12 months.

Traffic on Rt. 33 will be reduced from four lanes to two lanes in the work zone, with one lane of traffic always open in each direction, starting in late May.

From mid-May to early fall, the eastbound lanes of Rt. 33 will be closed while traffic will be maintained in the westbound lanes. During the project's second phase, from late fall to spring of 2012, the westbound lanes will be closed, while traffic uses the eastbound lanes.

Rt. 33 connects with Interstate 64 in New Kent County and U.S. 17. in Gloucester County. Motorists traveling through West Point on Rt. 33 can anticipate additional travel time through the project work zone during peak travel periods.

## *Important Notice*

As most of us are aware, a devastating tornado struck Deltaville on Saturday evening April 16th. The Opening Day celebration was in progress at the club at the time. Many of our members sustained property damage of varying degrees. There are personal accounts of those directly witnessing and encountering the wind damage. At the time of this writing, no reports have been made of serious injury or fatalities in Deltaville. Gloucester County was not so fortunate.

FBYC is a neighbor and an integral member of the community. A fund raising effort has begun to benefit the Deltaville Community Center conducted by the Deltaville Community Association. The DCA is a central hub responsible for many elements within the community, including the Fire Department, Rescue Squad, Maritime Museum, ball park, and the Community Center along with the pool and tennis courts.

The goal is to include at least 100 people and organizations to contribute \$1000 each thus forming the "Deltaville 100". FBYC will become one of those entities. With this notice, I want to encourage our members to make donations of any amount, or to participate as one of the "Deltaville 100".

Please make the checks payable to DCA and send them to: DCA 17147 General Puller Highway, PO Box 211, Deltaville, VA. 23043.

Thank you,  
Alex Alvis, Vice Commodore

## *Thank You!*

A special thanks to the nearly 40 volunteers who made Spring Clean-up a fun and successful day. Your efforts prepared the grounds for the lawn care company to maintain during the season. The one design repair hoist is complete and is located beside the barn. Spring pool maintenance will begin soon and is scheduled to open on time.

Ken Odell, Grounds Chair.

## *BoatU.S. Membership*

FBYC Group ID No. GA 82591Y

FBYC members who already have their boat insurance with BoatU.S. should be sure they are getting the 50% annual membership dues discount by using the FBYC Group ID Number. If you are not a BoatU.S. member but would like to obtain an application or find out the benefits of a BoatU.S. membership, please contact Membership Services at 1-800-395-2628 or [www.boatus.com](http://www.boatus.com) for a BoatU.S. Membership application. Those joining for the first time can also receive a 50% discount by mentioning our Cooperating Group ID number.

**RACING**

***Family Picnic at  
Rosegill Farm  
Saturday May 28th***

Cruisers, racers, power boaters, juniors and pool fanatics, bring your blankets and lawn chairs and get ready to bring in summer with a bang at Rosegill Farm. FBYC will host an awesome back to basics family picnic for all members and guests of the club. We plan to have a great picnic dinner, refreshments, music, some organized events for the juniors and some cool prizes. This year we will be headed to the Islands and will be enjoying the Caribbean beat of Ban Caribe. This band is fun and should get everybody dancing! So mark your calendars now to come out and enjoy this great event with family and friends at Rosegill Farm!

**5:00 PM-6:00 PM: Cocktails and Refreshments**  
**6:00 PM-9:00 PM: Music and junior events at the barn.**  
**6:00PM: Picnic Dinner on the lawn Catered by White House Catering**  
 (please remember to bring your blankets and chairs)

**MENU:**

**Classic Garden Salad**  
**Peeled and Spiced Jumbo Shrimp**  
**Steamed in Ale and Served with Sweet Vinegar Cocktail Sauce.**  
**Blue Crab Claws served with a Dijon Aoli Dipping Sauce.**  
**Paella with Shrimp.**  
**Jerk Pork Tenderloin**  
**Rolls**  
**Red Beans and Rice**  
**Sweet Vinegar Slaw**  
**Fried Chicken Breast Strips**  
**Lemon Bars**

**COST:**

Club Members \$25  
 Non-Club Adults \$30  
 Teenagers \$10  
 Children 12 and under \$5  
 Social Pass Only (No Dinner) \$10

**Best Picnic set up gets dinner for four free!**

**\*\*\*Reservations required by May 26th, 2010\*\*\***

**EASY RESERVATIONS:**

**Register and pay online at <http://www.fbyc.net> or,  
 Mail checks and reservations to:  
 Mr. & Mrs. Carl Simon  
 11349 Lady Slipper Lane  
 Richmond, VA, 23236**

***Leukemia Cup Kickoff Event in May  
Features Tom & Mel Neale***

Sun Trust Bank, repeating Presenting Sponsor of this year's Leukemia Cup, will host Tom & Mel Neale for the Cup's kickoff event at the bank's corporate office in downtown Richmond on Thursday evening, May 19. Mark your calendars now!

Tom and Mel Neale have lived and cruised aboard since 1979, averaging 3,000 to 5,000 miles per year, including 19 winters in the Bahamas. They raised and home schooled two daughters aboard. Tom has owned over 25 boats since the early 1950s, from 8 to 53 feet long. Mel has also boated and cruised since the early 1950s.

Tom and Mel write the *Tom Neale's Cruising for You* section for BoatUS @ [www.boatus.com](http://www.boatus.com). Tom is Technical Editor and writes the "Sea Savvy" column for *Soundings* and is Editor at Large for *Passage Maker Magazine*. For many years he was Editor at Large and columnist for *Cruising World Magazine* for which he wrote the monthly column "On Watch."

Tom is author of two books: *All in the Same Boat*, and *Chesapeake Bay Cruising Guide*, Volume 1 Upper Bay, and does extensive public speaking, throughout the U.S and in Canada. He will bring copies for purchase of "All in the Same Boat" published by McGraw Hill and his two-set DVD "Cruising the East Coast with Tom Neale" done in conjunction with BoatUS.

This event is open to the public on Thursday, May 19, 6:30 - 9 PM, at the SunTrust Building at 919 E. Main Street, 24th Floor, in downtown Richmond. Free parking in the SunTrust parking garage is available. Admission is \$25 per person and includes wine, beer, and heavy hors d'oeuvres. All proceeds will benefit the Leukemia & Lymphoma Society.

Please RSVP by Friday, May 13th to Sue Willis (804) 627-0400 or sue.[willis@lfs.org](mailto:willis@lfs.org). Seating is limited so don't wait until the last minute to make your reservations.

**RACING/CRUZIN CORNER**

***Wine Cruise  
June 10-12, 2011***

The Cruising Division will take a cruise up the Great Wicomico and the Yeocomico that will feature tours and wine tastings at two or more vineyards. This cruise, headed by Nancy and Sam Stoakley, will depart FBYC on FRIDAY, YES FRIDAY, June 10th for Horn Harbor up the Great Wicomico River. We will anchor out or take slips at the Horn Harbor Restaurant Marina from which we will dinghy to Athena, a very nice winery just on the southern end of the bridge across the river. After a tour and tasting, we will return to our boats and dine either onboard or at Horn Harbor Restaurant.

We will need a early departure on Saturday morning as we sail out of the Great Wicomico, north to Smith Point, and up the Potomac to the Wicomico River and the Port Kinsale Marina. From there we will provide ground transportation to one or two of the wineries that are located with about 5 miles of the marina. Port Kinsale Marina features the Moorings Restaurant, with an excellent menu and wine selection as well as deep water dockage. The group will sail back to Deltaville on Sunday. Final plans are still being developed and may include a casual gathering on Thursday night prior to departure on Friday morning. Please make your plans to join us for what promises to be a fun, early June cruise. Don't forget that this is a 3 day cruise so make your arrangements to be able to get underway on Friday, June 10th.

Please sign up online through the FBYC website and email Nancy or Sam Stoakley if you have any questions.

Nancy Stoakley [nstoakley@verizon.net](mailto:nstoakley@verizon.net)  
Sam Stoakley [samstoakley@gmail.com](mailto:samstoakley@gmail.com)

***Art on Fishing Bay Coming June 3***

Art on Fishing Bay, one of Middlesex County's premier art shows, has teamed up again with The Leukemia & Lymphoma Society on this 13th anniversary year of the Southern Chesapeake Leukemia Cup series. Art on Fishing Bay continues to exceed attendance expectations year over year. So mark your calendar for Friday, June 3, 6:00 – 9:00 PM, at the Fishing Bay Yacht Club in Deltaville and arrive early to have your pick of arts and crafts produced by many local and regional exhibiting artists.

Talented exhibitors will again display their creations to both browsers and buyers. Each will generously contribute one item to the popular Leukemia Cup Auction to be held at the Stingray Point Marina on Friday evening, July 8, during the big Regatta weekend. A complete list of exhibitors will be announced later in May, but there are still vacancies for artists who wish to participate.

While patrons hunt for the perfect art objects to complement their home and cottage decors, refreshments and musical entertainment will be on tap. Admission is a donation benefiting The Leukemia & Lymphoma Society and a hors d'oeuvre to share with fellow art aficionados.

Proceeds generated by the show will benefit The Leukemia & Lymphoma Society's mission to support patients battling blood cancers. For more information, visit [www.leukemicup.org](http://www.leukemicup.org) or contact Sue Willis (804) 627-0400 or [sue.willis@lls.org](mailto:sue.willis@lls.org).

Everyone is invited to explore The Leukemia & Lymphoma Society's Regatta website at [www.leukemicup.org/va](http://www.leukemicup.org/va) for information on how they can help the Society reach its goal of making Art on Fishing Bay and its other 2011 Regatta events the most successful in the nation.
