

*FROM THE QUARTERDECK*

**JUNE 2016**

## SUMMER HAS ARRIVED - FINALLY!

After a long, cold, damp spring, we can look forward to enjoying summer and its many pleasures. Activity at FBYC is now in full swing. Memorial Day, with its full round of celebrations, is history, and we are ready for a packed summer of events.

I am excited to see the Club J/24 *Easy to Slip* being prepared for its first season. Clark Dennison is leading the effort to get this boat ready to sail in June. The bottom has a new coat of anti-fouling paint so we can berth her in the first slip on the west pier. There are still numerous projects before we can launch. A new floor board/rotted coring on parts of the deck need replacing; electric bilge pump and complete cleaning inside and out are only the major items remaining. Clark would welcome any help with completing these and many other smaller tasks. Once *Easy to Slip* is launched, we will use her for sailing instruction and general use by qualified club members.

Photo courtesy of First Last Name

Take time to walk around your Club and notice our facilities and grounds; everything has been put in good order for this busy summer season. The barn and east bath house have been repainted and now look as good as all the other buildings.

We are also ready for the biggest event of the year – Junior Week. A look at the registration numbers shows another sell out year! A. L. Braun, event chairman, has been working for well over six months to prepare for this event. A tremendous amount of planning is needed to hold Junior Week; getting the coaches and volunteer staff is only part of the job. If you have not seen what goes on during the week, please stop by and observe what a wonderful event this is. A. L. can always use more help for day jobs like serving for the Ice Cream Social; there will be a sign-up board inside the Club.

A strong junior program makes for a strong Club. We attract new members, add value to Club parents and grandparents, and bond with our junior sailors.

All four divisions have a full set of events, please review the schedule and make time to enjoy FBYC. Let's make the most of our "brief" summer season!

~ **William T. Bennett**

The Young Adult Member group had a great happy hour meeting up at the VMFA to catch up and talk sailing this spring!

PRELIMINARY MINUTES - May 2016

**FISHING BAY YACHT CLUB - BOARD MEETING**

Selected highlights from the May board meeting.

**TREASURER** – The April transaction report was sent to all board members for review and any corrections. No issues with invoices being paid in a timely manner were identified.

**HOUSE CHAIR** –

1. **Main Clubhouse:** Completed projects: Back stairs sanded and stained. Water heater for kitchen sink has been repaired. Pending projects: Dixon will be replacing the screens. Icemaker upstairs has broken after eight years. We are looking for a new one. Phasing in new toilet roll dispensers that will be able to have more volume for large parties and have nicer toilet paper. Improving porch by relocating plastic signs away from entry. Fixing deteriorating lamination on main clubhouse entry doors.
2. **Fannie's:** TO DO: Dixon will be replacing the screens.
3. **East Bathhouse:** COMPLETED: Exterior painting.

**DOCKS CHAIR** – There has been some bulkhead movement in the east cut out slip. Deltaville Marine has proposed a fix that will sister the pylons in an attempt to arrest movement. This work scheduled to be completed mid-May.

**SOCIAL CHAIR** –

1. **Open House (Memorial Day):** Continue to push for cruisers and others to deliver the message that this event is truly for everyone.
2. **July 4th:** Confirmed that Glenn Doncaster and Narda will run the event. It will be an economical event with family-friendly cost structure

**GROUNDS CHAIR** –

1. **Grounds:** Flower bed planting began this month and should be complete before the open house regatta weekend.
2. **Septic:** The annual tank pumping has been complete.
3. **Barn:** The barn roof project has been completed; painting prep has begun and should be complete by Memorial Day.
4. **Pool and Pavilion:** The pool is scheduled to open Memorial Day Weekend. Lifeguards will be working weekends until June 11, at which time lifeguard will be present daily until 7 p.m. or all members and visitors have left for the day.
5. **Future Projects:** The dinghy racks have several dinghies in horrible condition. We are entertaining suggestions to encourage the renters to clean up their toys.

**LONG RANGE PLANNING** – The first meeting of the committee was held in May. The Committee consists of the Flag, George Burke, Matt Braun, John Wake and Jay Buhl. The committee will analyze how the Club is organized today and make suggestions for how it could be organized in the future.

**WEB MASTER** – Website work has been quiet this past month. No report except all issues have been cleared up with the mid-month problems where we had a non-functioning payment issue April 20 to May 6. The problem is now fixed and 10 refunds were issued to those people who got double and triple charged.

**HISTORIAN** – A reception for the FBYC Exhibit at the Deltaville Maritime Museum is scheduled for May 28th. Notices were posted in the Log and on the website. Reservations are starting to come in.

**YAM CHAIR** – The YAM VMFA Happy Hour on Friday, April 29th was a big success and well-attended. Upcoming evenings:

- YAM Memorial Day Kickoff Cookout – Friday, May 27th in Deltaville. Food and adult beverages provided.
- YAM 420 Olympics – Sunday, July 3rd in Deltaville. This is a new event; details to follow.

**OPERATIONS MANAGER** – Reported that the jin pole is out of commission. Two summer helpers are being considered to assist Dixon.

**FLEET CAPTAIN** – All replacement flags have arrived and the flag inventory is now complete. In unrelated new business, we will be reviewing Club By-Laws and Constitution and suggesting updates as necessary.

**OFFSHORE DIV CDR.** – All details for Stingray are in place and ready to go. The J/70 event is completely staffed.

**OFFSHORE DIV. LT. CDR.** – The Race Committee Training was well-attended.

**OFFSHORE DIV. RACE CHAIR** – Notices went out to all PROs that effective July 1, all Virginia operators of motorboats over 10HP and personal watercraft will need to comply with a 2007 state law by taking a boating safety education course.

**ONE DESIGN DIV. CDR** – Events are staffed and scoring training will be done. It was suggested that a notice regarding new boating safety certification requirements be sent out to One Design community. In other news, Borna will be attending grad school in Vermont; possible replacement will be needed.

PRELIMINARY MINUTES

**CRUISING DIV. CDR** – All is well with the Cruising Division. The Onancock cruise started the day after the board meeting and Urbanna will be in two weeks.

**CRUISING DIV LT. CDR.** – Despite the fact the weather didn't cooperate, the joint event with Mathews Yacht Club was a success.

**JUNIOR DIV. CDR** –

**1. Junior Week/Opti Kids**

- Registration for JW and OK will close May 13.
- 177 sailors currently registered for Junior Week & Opti Kids (32 participants registered for Opti Kids).
- 145 participants registered for Junior Week including race teams.
- Shirts for OK, JW & VA Commonwealth have been designed and ordered.
- Draft class and instructor assignments have been completed and are under review.
- Dixon has secured "high end porta potties" to reduce stress on water system.
- Christ Church is loaning four 420s to allow us to meet higher demand; plan to allow them to leave in Junior Yard with club 420s until August 14.
- Karen Soule has secured resources from the Annapolis School of Seamanship to offer a series of adult-oriented seminars during Junior Week covering topics from diesel repair to navigation and electronics.

**2. Virginia Commonwealth Junior Regatta**

- Charlie Brewer is working to secure volunteers for the event scheduled the weekend immediately following Junior Week.
- Jennifer Bendura working to get event set up on FBYC website.

**3. Race Teams**

- FBYC sent five sailors to Opti Team Trials at The San Francisco Yacht Club in Belvedere Cove, Tiburon in Marin County just north of San Francisco, April 19-22. Benton finished 24, Boyd 33, and Nathan 41 out of the 226 who qualified and competed. Guthrie and Reese did spectacularly for their first team trials, finishing 122 and 201, respectively. Based on their finishes, Benton, Boyd, and Nathan will go on to represent the USA at the 2016 IODA North American Championship in English Harbor, Antigua July 10-18.
- All three professional coaches for summer teams have secured visas and plan to arrive June 9.
- Planning review of summer racing schedule for

Opti Race Team and Laser Race team schedules with participants before end of May.

- New RIB is on target for delivery from Carlton Goldthwaite prior to Junior Weed.

**4. Publicity**

- Mark Hayes' article about the FBYC Junior Program will be featured in the May edition of the *Virginia Sportsman Magazine* including a picture on the cover.

**REGATTA COMMITTEE** – Planning for the Annual One Design is well underway with band, caterer and PRO all set. Registration is up on the site.

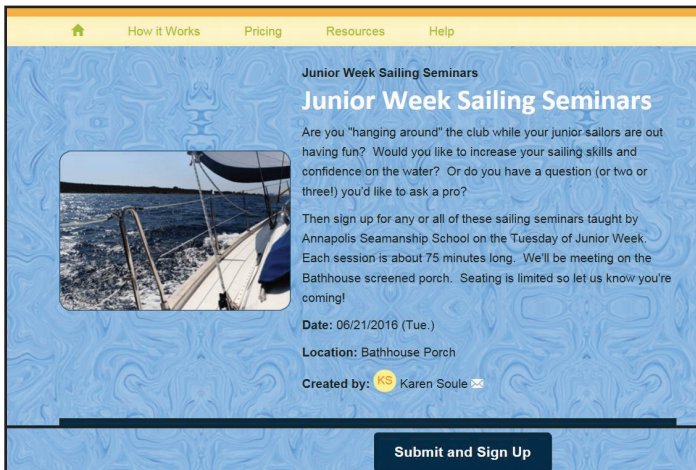

**ADULT SAILING PROGRAM** – The crew training had more than 20 trainees attend. Plans exist to schedule a "Seamanship School" on June 21st – to include topics such as: diesel basics, docking and anchoring in local waters. Further details to follow.

**OLD BUSINESS:** No old business

**NEW BUSINESS:** Jon Deutsch proposed changes to the Club By-laws and Rules involving the One Design Division Commander. A summary of the changes are as follows:

- 1. By Laws:** Previously, the One Design Division Commander's purview did not specify responsibility for small boat parking. Suggested adding responsibility for small boat parking and dry sail lot parking. Also suggested adding language identical to docks language about space availability, bill and rule enforcement responsibility. In the From the Docks Chairman section – suggested removing references to responsibility for dry sail parking. In the Dry Sailing and Lift Facility Rules section – Suggested changing responsibility for assigning spaces and enforcing rules to One Design Division Commander. In the Fleet Rules section – Suggested improving consistency specifying both small boat and dry sail parking have the same rules regarding space allocation. Board requested official resolutions for these changes be made and voted on at the next Board meeting. All voting members who cannot attend the meeting will be asked to send their proxy.
- 2.** Commodore Ted Bennett informed the Board that the Docks II Committee will be making a presentation of its proposals and suggestions at the June Board Meeting. This is expected to be a longer than usual meeting, so all members are asked to submit their reports electronically to all Board members in advance of the meeting. A hard copy of the Docks II presentation will be sent out in advance of the board meeting.

SPECIAL NOTICES

## WHILE THE KIDS ARE AWAY...ADULTS CAN LEARN AND HAVE SOME FUN

Calling all Junior parents—or grandparents for that matter!

Junior Week is great fun for our kids, but can involve a lot of “down time” for the adults. This year, we’re offering **all** adults the opportunity to increase their sailing skills with some custom-tailored sessions held right at the Club. (We especially hope our female sailors will attend to increase their confidence out on the water.)

Two instructors from the Annapolis Seamanship School will be running these workshops on **Tuesday, June 21** beginning at 9 a.m. and concluding at 3:45 p.m. One especially unique opportunity is the “Hands-on Diesel Mechanics” session with a portable diesel engine. You’ll be able to see, hear and touch a diesel in action—and learn how to do some basic trouble shooting. There’s a session on using an iPad for navigation and two tailor-made workshops just for FBYC sailors—docking at the Club and anchoring in our neck of the Bay.

All members are encouraged to sign up; not just Junior parents! Although these may appear just for large boat sailors, everyone from Flying Scot racers to 15-ton cruisers can learn something new. Sign-up now for one or more sessions at: [signupgenius.com/go/20f044baba923a1fb6junior](http://signupgenius.com/go/20f044baba923a1fb6junior).

You can also email Karen Soule at [Karen.soule@gmail.com](mailto:Karen.soule@gmail.com) if you’ve any further questions. See you there!

## ANNUAL FOURTH OF JULY LONG DISTANCE RACE & COOKOUT

Come join us for the Annual Fourth of July Long Distance Race & Cookout! Do you have a boat that is less than 24 feet at the waterline? If so, this race is for you! Don’t want to race? No problem, the cookout is for everyone!

We will have games for adults and kids, music, and lots more. Bring your picnic blanket, lawn chair and an umbrella for shade! Don’t forget to bring your friends and family!

Adults are \$10, kids 12 and under are \$5, adult non-members are \$15. This year we are running a special price for families. No family will spend more than \$30. At checkout - choose the family option if your total is greater than \$30 (immediate family **ONLY** please). When registering a family, please include the number of people in your family who will be eating in the Comments field.

For more information on the event and to register, please visit <https://www.fbyc.net/Events/2016/07.04.onedesign/ssi.shtml>.

If you have any questions, please contact Paul and Julie Ann at [paul.wash@webnext.net](mailto:paul.wash@webnext.net). You can also find us in the FBYC mobile app!

JUNIOR

## GREAT RESULTS FOR JUNIORS AT USODA TEAM TRIALS AT SAN FRANCISCO YACHT CLUB

Coach Bobby Lippincott, Dianne Smith, Nathan Smith, Camille Bragg, Benton Amthor, Reese Bragg, Guthrie Braun, A.L. Braun, Sarah Amthor, Benton Amthor at San Francisco Yacht Club.

FBYC sent FIVE sailors to Opti Team Trials at The San Francisco Yacht Club in Belvedere Cove, Tiburon in Marin County just north of San Francisco, April 19-22. Benton Amthor, Boyd Bragg, Reese Bragg, Guthrie Braun and Nathan Smith were accompanied by Coach Bobby Lippincott and parents A.L. Braun, Camille Bragg, Sarah Amthor and Dianne Smith. Everyone had a great time sailing and sightseeing in the Bay Area, with the sailors indicating they were having so much fun in the city that it was tough to leave for the race course. Fortunately, they did sail and turned in terrific results; Benton finished 24th, Boyd 33rd, and Nathan 41st out of the 226 who qualified and competed. Guthrie and Reese did spectacularly for their first team trials, finishing 122nd and 201st, respectively.

Based on their finishes, Benton, Boyd and Nathan will go on to represent the United States at the 2016 IODA North American Championship in English Harbor, Antigua July 10-18. Additionally, Guthrie Braun was invited to sail with the USODA team in Belgium but declined so he could focus on CBYRA events on the Bay!

## JUNIORS COMPETE ON THE WORLD STAGE IN LAKE GARDA, ITALY

Some of the 1,065 sailors competing at the 34th Lake Garda, Italy Optimist Meeting

“Team Bramthor” Boyd Bragg and Benton Amthor recently returned from a regatta destination of a lifetime: the 34th Lake Garda Optimist Meeting in Riva Del Garda Italy! The Lake Garda Optimist Meeting holds the *Guinness Book of World Records*’ designation as the largest One-Design Regatta.

Both sailors qualified last fall in Newport, Rhode Island to be part of the 15-member USA Optimist team. Of the 1,065 sailors participating, both sailors had several top 20 finishes that qualified them for the Gold Championship Fleet. The legendary “wind gods” of Lake Garda held true for the five days of racing, with breezes of 15 knots to 22 knots filtering thru snow-covered mountain caps making it to the race course every day at high noon. Boyd, sailing very fast in the “Big Breeze,” finished up 73rd and Benton 98th overall. Prior to the main event, Benton Amthor was selected to represent the USA Team to compete in the Country Cup where he finished 11th of the 22 countries represented.

While the boys were off sailing every day, the other members of “Team Bramthor” took in some skiing in the Italian Alps (overlooking the Lake) and excursions to many Mediterranean-style towns around the lake sampling their finest, olive oils, wines and limoncello!

JUNIOR / CRUISING

## FBYC OPTIMIST RACE TEAM ALUMNI COMPETE AGAINST EACH OTHER AT MALLORY CUP

*Boyd Bragg and Hannah Steadman at the Mallory Cup*

FBYC Sailor Boyd Bragg sailing with his high school team, Christ Church School, qualified for and raced in the High School Fleet Racing National Championship also known as the "Mallory Cup" the weekend of May 14- 15 at the College of Charleston. Boyd, a freshman, was the B skipper for the entire regatta for Christ Church School where he sailed against former FBYC Junior Hannah Steadman, a senior, who was the B Skipper for Shorecrest Prep. Shorecrest finished 3rd overall and Christ Church School 5th out of the 20 top high school teams in the country. FBYC Opti alumnus, Hannah and Boyd, had a great time sailing against one another! Hannah will continue her sailing adventures when she attends Brown this fall.

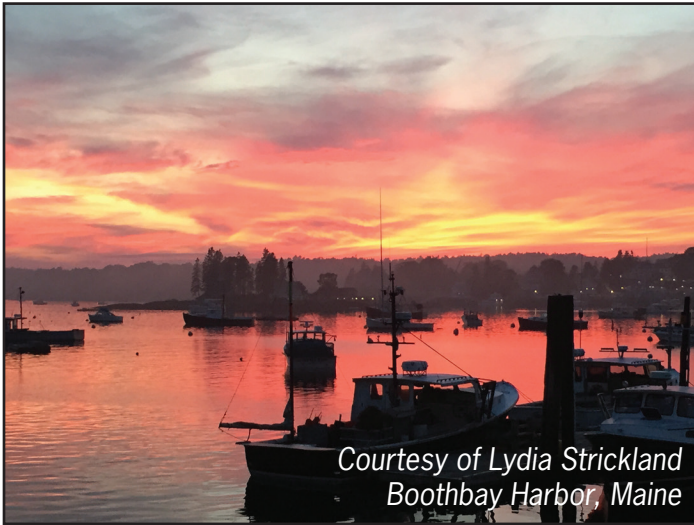

### OUR TIME IS AT HAND

There is a National Class Championship coming to FBYC **June 11 & 12th**. Boats have already entered from Wisconsin, Illinois, Massachusetts, Florida, Tennessee and Texas. Former and current Class Champions are coming and when registration closes, there will be between 30 – 35 boats. The event? The **Flying Scot Wife/Husband Championship**. The basic concept is the two participants on the boat must be married and the name of the event is the Wife/Husband, in that order! In the Flying Scot world along with the Midwinter and North Americans, the Wife/Husband are considered national championships.

There is still time to enter, requirements are that the skipper (could be either spouse) must be a Flying Scot member (\$45) and the team needs a class legal Flying Scot. Registration and Notice of Race can be found at [www.regattanetwork.com/event/11537](http://www.regattanetwork.com/event/11537). There will be two fleets: Championship, which will do up to five races; and Challenger, which will do three races. Off the water, there is a cookout Friday night, continental breakfast Saturday and Sunday morning, Happy Hour and dinner Saturday Night. It is rumored that current W/H and National champs, Amy and Jeff Linton, will lead ballroom dancing after dinner Saturday night (seeing Jeff dance is truly entertaining).

It is shaping up to be a fun event both on and off the water and with very competitive sailing. If this sounds interesting, but you can't quite get it all together? Volunteer - We need help for both Friday and Saturday evening - Contact Debbie Cycotte - [dcycotte@yahoo.com](mailto:dcycotte@yahoo.com).

Boothbay Harbor, Maine

## 2016 SOUTHERN NEW ENGLAND CRUISE

This cruise would allow you to join the Ocean Cruising Club's Southern New England Cruise in Martha's Vineyard. There will be flexibility to make changes on the way, as the group desires. Boats will also have the flexibility to have crew/guests come and go from a variety of destinations on the cruise. We envision that we will be cruising for about five weeks (give or take, longer or shorter, as you wish).

As always, everything will be weather dependent and distances are approximate. There is some time built in on the front end to allow for a delayed departure from the Chesapeake due to weather conditions (as we experienced last year), without disrupting the remainder of the schedule. We plan to have Cap'n George run a VHF net in the mornings to share information or to make changes, due to weather.

**Thursday, June 23:**

FBYC to Cape Charles - 25nm (4 hrs)

**Friday, June 24:** Cape Charles, at first light, to Martha's Vineyard - 390nm (60 hrs)

**Sunday, June 26:** Arrive Edgartown late afternoon

**Tuesday, June 28:** OCC cookout at Oak Bluffs

**Wednesday, June 29:** Martha's Vineyard to Marion - 18.5nm (3 hrs)

**Thursday, June 30:**

Marion to Provincetown - 40nm (6 hrs)

**Friday, July 1:** OCC dinner in Provincetown

**Saturday, July 2:** Provincetown to Boston (with OCC) - 48nm (7.5 hrs)

**Monday, July 4:** Boston Pops on the Esplanade and fireworks

**Wednesday, July 6:** Boston to Salem/Marblehead (with OCC) - 15.5nm (2.5 hrs) OCC potluck

**Friday, July 8:** Salem to Scituate - 21nm (3 hrs)

**Saturday, July 9:** Scituate to Red Brook Harbor (Kingman Yacht Center) - 44.5nm (6.5 hrs)

**Sunday, July 10:** Red Brook Harbor to Nantucket - 43nm (6.5 hrs)

**Wednesday, July 13:** Nantucket to Hadley Harbor - 33.5nm (5 hrs)

**Thursday, July 14:** Hadley Harbor to Cuttyhunk - 13nm (2 hrs). Opt. lunch stop at Tarpaulin Cove

**Friday, July 15:** Cuttyhunk to Block Island - 36nm (5.5 hrs)

**Sunday, July 17:** Block Island to Fishers Island Sound - 20nm (3 hrs)

We are working on a smorgasbord of destinations in Long Island Sound, from which to choose, for the balance of the cruise. Boats can opt to go to Maine from Marblehead; return to the Chesapeake from Block Island; or explore Long Island Sound before returning home. To do the LIS area justice, we would plan on 10 days to two weeks cruising. Boats wishing to stay for the LIS cruising, will be provided with descriptions of recommended destinations. All transit times are based on averaging 6.5 knots and do not take into account boosts (or drag) from current.
