

**FROM THE QUARTERDECK**

**DECEMBER 2024**

## COMMODORE'S ADDRESS

I am honored and thankful to serve as commodore of Fishing Bay Yacht Club. I am in good company when I see those who have gone before me in this role, and don't be surprised when I call to ask you a question. I especially want to thank Doug Bendura for his continued service and leadership, as he moves into the Member at Large role. There have only been 3 other female commodores of the Club in 85 years; my heartfelt admiration and respect go out to Lydia Strickland, Judy Buis and Elizabeth Staas for blazing the trail before me. We have a strong and devoted board of trustees, and I am so grateful for all the support.

If you don't know me, you may be wondering how I landed in this role. Our family arrived at FBYC in 2008 with just a tiny bit of sailing experience. My husband Paul knew that learning to sail together would be a better family activity than riding motorcycles. I thank him for that. At the same time, I had not grown up in a water-loving family. I was wondering what I would do with 2 small children around the water, but I soon found out. Two motorcycles were sold, and a lovely Flying Scot was purchased from a kind gentleman in Indiana. We entertained everyone on shore from time to time as we learned to sail and dock the boat. Sailing is nothing if not a source of good stories, right? We persevered, and with the help of good friends, sailed the course a time or two. We still enjoy sailing our Melges 15, and our adult children have continued to sail whenever and wherever they can.

We volunteered to help with Junior Week, and that was the beginning of the magic. We learned as much as the kids we were helping. We made new friends at the Club. After that first summer, we made choices about how to spend our time. We decided to be present at the Club. Summers were going to be about sailing - the kids could

play their sports and do all the other activities the other 9 months of the year. When we committed our time and energy to the Junior Sailing Program, this gave our family a lot more than sailing skills. We made lifelong friends from all over the world and we saw the good that comes from being part of a community with passion. FBYC has always attracted the highest caliber coaches from all over the world, and we are fortunate to consider them part of the family.

As a Club, we will move forward with intention in 2025. Together we will continue to uphold the mission of the Club, the development of the art and science of sailing with the help of our incoming board of trustees, committee members, and volunteers. Our strategic planning committees will gather information for improving our waterfront, kitchen and support fleet. This will ensure we are prepared for the future. Our Club is financially sound thanks to good decisions made by our trustees and members. Our membership is strong, and we will support increased membership growth and engagement by having more of the types of activities our members requested. I see Offshore, Cruising, Juniors, Adult Sailing and One Design all reaching out to invite folks to sail, to help one another by volunteering for race committees and socials, and to be the open and friendly place we all can enjoy. Race management tackles all those tasks that make it easier for the sailors to sail and for the race committees and PROs to run the races. The top notch programs we run would not be possible without your devotion. The number and variety of activities we offer as a volunteer run club is truly amazing. This only happens when the members have passion for what they are doing.

I invite you to join me and keep your passion for FBYC going in 2025, and to share with your friends. Watch for publication of our 2025 events calendar and make plans to be present. And have a safe and happy holiday season.

~ **Mary Almany, Commodore**

SPECIAL NOTICES

**BOARD MINUTES  
AND COMMITTEE REPORTS**

We invite you to view the Board Minutes and Committee Reports at the following website as an appendix to this Log:

<https://www.fbyc.net/members-only/board-minutes/>

Would you like to feature an article or share a story in **The Log**? Please email **Julie Chapman** at [chapman.julie3@gmail.com](mailto:chapman.julie3@gmail.com)

Please sign up to help with one of our upcoming regattas or events. *Our Club depends on its members to flourish and grow.* Volunteering is also a great way to meet other members. Please visit this webpage to get a list of volunteering opportunities: <https://www.fbyc.net/members-only/volunteering-fbyc/>

**INVITING FRIENDS TO JOIN  
FBYC JUST GOT EASIER**

Our membership application is easier than ever to submit. Our Google Form is online and ready to receive new members. Just send the QR code or link to your friends to apply. It's a great time of year to invite other sailors to get involved with our Club!

For more information about how to join our Club and our application process, please visit: <https://www.fbyc.net/club/membership/>

## COMMODORE'S BALL

## COMMODORE'S BALL RECAP

What do you do when you want to cap off the end of a busy year, recognize individual and team accomplishments on and off the water, and celebrate the legacy of our Club? Well.....you throw a party!

Members and their guests gathered at this year's Commodore's Ball on a cool, crisp November evening at the Country Club of Virginia. The Ball was a full night of wrapping up business for 2024, preparing for 2025, recognizing the accomplishments across all sailing divisions, and last but certainly not least, celebrating Fishing Bay Yacht Club's 85<sup>th</sup> anniversary!

The CCV Main Ballroom was adorned with flowers, model boats, signal flags and sails along with a special installation of 6' high FBYC letters with candid photos of members of the Club through the years. Special thanks to Julie Ann Wash, Julie Chapman and David Hinkle for designing the FBYC installation.

The evening began with the annual member's meeting where the executive committee members presented the business of 2024 and plans and priorities for 2025. Former Commodore and Member-at-Large Mark Wensell, presented the U.S. and Club flags flown throughout 2024 to Doug Bendura to thank him for his leadership as FBYC Commodore. Then the flag officers exchanged patches to recognize and honor the succession of the Commodore, Vice Commodore and Rear Commodore. Thank you to Doug Bendura as he completes this year as Commodore, and congratulations to Mary Almany as our incoming 2025 Commodore.

Back by popular demand, dinner was served by chef attended stations featuring Italian, southwestern and steak frites. Members and their guests could dine at all

three or pick their favorites (the steak frites station was the clear favorite)!

Promptly at 7:45, the flag officers kicked off the awards presentations for the evening. Nine Junior Division awards were presented to 19 deserving junior sailors by Rear Commodore Mason Chapman, and Jim Clary. Mary Almany, Vice Commodore, presented the Offshore, One Design and Cruising Divisions awards. With some of the Spring, Distance and Fall Offshore and one design awards having been presented on Closing Day, Mary presented perpetual awards for Offshore, One Design and Cruising divisions along with the outstanding crew member award. As a testament to teamwork, this year's award went to the full crew of *Corryvreckan*.

A special thanks goes to Jim Morrison and John Hubbard who chaired and assisted with all the trophies and awards.

To wrap up the evening, the fun continued with dancing to one of our favorite bands, Tidewater Drive, who did not disappoint. Chocolate torte, key lime tarts and cheesecake with strawberry coulis desserts were passed later in the evening to satisfy everyone's sweet tooth!

This year's Ball depended on the time and support of many volunteers. Thank you to the event team of Susan and Craig Wright, Sue Kessler McConaughy, Janet Moyers, Meghan Hahn, Julie-Ann Wash, Sally Branch, Zan Wick, Anne Litt, and Julie Chapman, who were involved in everything from planning, decorations, flowers, transportation, registration, drink tickets and clean up!

After 85 years, our Club continues to thrive while living and promoting the Corinthian culture and values of the sailing sport. It is only fitting that we celebrate this by throwing a party!

Best regards,  
Susie Wright, *Social Director*

# IN MEMORIAM

Lee McSweeney Farinholt

December 26, 1972 - October 27, 2024

Lee McSweeney Farinholt sailed away peacefully at the age of 51 with family at his side. He remained loving, entertaining and bright, even while he faced a difficult journey against cancer.

Lee was Born on December 26, 1972 in Raleigh NC to Richard and Nancy Farinholt. He was the last of 6 children, and graciously accepted all the benefits of being the youngest child and sibling.

After working in the technology field in Richmond, Lee resided in Deltaville VA, where he was a VP at Stingray Point Boatworks, laboring alongside brothers Rick and Jon. A prominent figure in the sailing community of Deltaville, Lee was active at Fishing Bay Yacht Club and frequently participated

in regattas and races, often achieving top placements. Always bold, in 2017 Lee recruited his then 78-year-old mother to serve as galley queen on a sailing trip from the Caribbean to Fishing Bay Marina in Deltaville. He also enjoyed competing with his billiards team, the Rack Stars.

Displaying his Irish roots, Lee kept the generous and warm caregivers entertained with his wit and playful irreverence. The family would like to thank Comfort Keepers for making Lee's Journey peaceful and less arduous.

Lee is survived by his mother Nancy, sister Slater (Craig), brothers Rick (Stacey), Tim (JT), Jon, Bob (Christine), his nephew, 7 nieces and a large group of friends.

Funeral services will be held at St. Bridget Catholic Church in Richmond VA on Friday, November 8th at 11:00 AM with a reception after at Willow Oaks CC. The internment will be private.

In lieu of flowers of flowers donations may be sent to [Noahschildren.org](http://Noahschildren.org)

## REQUIESCAT IN PACE

**ADULT SAILING / MEMBERSHIP**

**ADULT SAILING: 2024 RECAP/  
2025 LOOK AHEAD**

Thanks to our Adult Sailing volunteers who continue to **remove barriers to our sport** and introduce more sailors to FBYC.

Our amazing volunteers maintain boats and trailers, are coaches/mentors in boats, launch/retrieve boats, operate coach and safety boats, and provide amazing fare for our socials.

**Quality multi-level coaching and great food are the backbone of our clinics.** Rain or shine, we party on. Come to sail—stay for the party.

**We serve all levels - from beginner to intermediate racer.**

We offer four (4) co-ed events, conduct a popular Junior Week class and strongly support the legendary two day Women’s Clinic. Thanks to Caroline Patrick and Jess Deutsch.

We have 6 club Flying Scots that are ideal for two students and instructor and are available for Subscriber (\$100/season) private use, and for Club racing.

We also welcome Melges, Lasers/ILCA, and other small boats in all our clinics.

We encourage day sailing and will share popular public beach locations.

We offer race training in all of our clinics (3 boat minimum)—lots of starts, roundings, etc. Sail with or without a coach/mentor.

We are actively recruiting racing mentors to sail with new racers in Club races. Please contact Joe Roos, Ron Jenkins, or Holly Sears for more information or to get on our 2025 Adult Sailing list. (Join the Adult Sailing Nation)

**2025 Adult Sailing Event Schedule**

March 22: **Club Boat workday  
(Spring Cleanup/Sock burn)**

May 31: **Co-ed Clinic (AKA Adult Sailing Festival)**

June 28: **Co-ed Clinic  
(With Seabreeze racing Option)**

July 12 - 13: **Women’s Clinic**

Aug 16: **Co-Ed Clinic**

**Club Boat Charter Season:**  
May 1 through October 31

**Private Lessons:**  
Late June through first week in August

**APPROVED FOR MEMBERSHIP  
NOVEMBER 2024**

**Ed Strazzini – Deltaville, VA** - Ed is an active sailor and cruiser and is rejoining FBYC after several years away. He owns a 33’ Nonsuch named *Pelican* and has been sailing on the Chesapeake Bay for 12 years. Ed is an experienced ocean sailor – crewing to Cuba twice and from Maine

to Saint Martin. Ed has also been a frequent participant in the Leukemia Cup Regattas at Fishing Bay and the Turkey Shoot. Ed brings with him an enthusiasm for the sport, a great outgoing personality and willingness to help all with a friendly hand or advice.

*Sponsors: Mark & Joanna Wensell and Ron Jenkins*

**Michelle & Eric Noe – Henrico, VA** - Michelle & Eric grew up as children and teens sailing with their families on the Long Island Sound and Buzzards Bay (respectively) and participated in sailing camps. In recent years however, they enjoyed activities like cruising, skiing, and fishing. In Connecticut, they were locker owners at Roton Point Yacht Club in Norwalk where their kids participated in Hobie Camp and Sailing School (Optis).

*Continued on next page.*

**MEMBERSHIP / LIFE MEMBERSHIP**

In July 2023, the Noes moved from Rowayton, Connecticut to Richmond. Everything about the move felt right, except for the big void left by leaving the Long Island Sound (and being by the water most days) behind. Delighted - and a bit terrified - when they purchased a home on Fishing Bay Road this past summer, knowing that they could once again spend weekends and summers on the water. As they rehab their house, they have enjoyed meeting new neighbors and finding opportunities to deepen their connection to the storied area.

Although now school and team sports often compete with family time on the water, both firmly believe in the independence, water safety, and self-confidence that sailing and boating instill in young people. While their primary reason for interest in FBYC is to cultivate their children's early interest in sailing, it isn't ALL about the kids! Michelle & Eric are both ready to return to a sport they loved.

The Noes hope to regularly take their boats out, sign up for day cruises, and (maybe, hopefully) eventually race as a couple or family. As new neighbors of the club, their family is also committed to investing in the community through events, volunteering, meeting other families, and advocating for FBYC.

Sponsors: Nancy & Whitey Lipscomb, Todd & Lynne Gehr

**THE FBYC BOARD OF TRUSTEES RECENTLY ELECTED WHITEY AND NANCY LIPSCOMB TO LIFE MEMBERSHIP**

Whitey and Nancy have been members since 1979 and over the years they have participated at a high level in all aspects of the club. Whitey served in numerous roles on the board over many years and was Commodore in 1991. They have generously supported past fundraising efforts and have been loyal volunteers.

They have owned several boats over the years, most of which were named *Destiny*. Over the years they were avid racers, now they are active cruisers. They have represented FBYC at other venues and have been longtime participants in New York Yacht Club events and the Caribbean 1500 rally to the Virgin Islands.

Whitey and Nancy raised their children at FBYC. TJ and Christin participated in junior and many other racing events and along with Christin's husband, Mike they still love to hop on a boat when they are at the River.

Now another generation is sailing. Their older grandsons, T and Graham participated in the Junior program, grandson, Banks was in the Opti Kids program this year and their youngest grandson, Duncan is looking forward to it when he gets a little older.

Congratulations and thank you to Whitey and Nancy. They are the best kind of members we have – they love to sail, they love the Club and they have made our Community better for a very long time.

**MEMBER SPOTLIGHT**

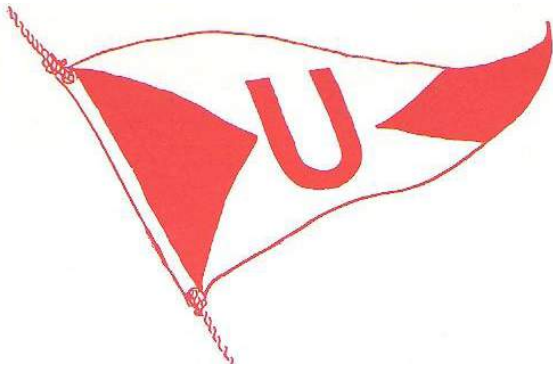

Celebrating Wayland's 96<sup>th</sup> birthday with a brisk, half day sail on *Trilogy* and toast afterwards.

## CLUB HISTORY

## 85 YEARS ... CONNECTING THE DOTS

Russ Collins & Julie Chapman  
Club Historians

### Part I The Urbanna Decade 1939 - 1948

*The schooner Nighthawk on race committee duty for the Cruising Division during UYC's Virginia Sailing Regatta in 1944 off Urbanna.*

1939: Hitler prepared to ignite World War II, Hollywood debuted two iconic films, *Gone with the Wind* and *The Wizard of Oz*, Batman made his first comic book appearance and ...

In the spring of 1939, nine Richmond yachtsmen, who during the preceding summer had sailed the water of eastern Virginia looking for a suitable home port, decided to organize a sailing association at Urbanna, Virginia. The first formal meeting was held on May 8, 1939, at 407 N. Allen Avenue, Richmond, home of Reid Dunn. Attending were Reid Dunn, McDonald Wellford, Robert

S. Cochran, Benjamin P. Alsop, Jr., John Marchant, J. Marshall Moseley, Matthew W. Maughan, Patrick A. Gibson, and Dr. Marvin Burton. The new organization was named the Urbanna Sailing Association. The first season was a success in all respects. The Association grew and flourished, and before a year had passed had become incorporated as the Urbanna Yacht Club. It had a fleet of 35 enrolled sailing yachts, 63 members, and had rented quarters for the Yacht Club at Urbanna. Also, it had been made a member of the Chesapeake Bay Yacht Racing Association.

During World War II, there were 35 Club members in the armed services, representing practically every branch of the fighting forces in America. Of the yacht squadron, both the schooner *Nighthawk* and *Windflower*, under the ensign of the United States Coast Guard, made gallant records under sail in hunting down the submarine wolf packs which were destroying Allied shipping off the Virginia capes. Although the major efforts of all members of the Club were directed to winning the war, the burgee continued to fly, and UYC did not cease operations as so many other clubs were forced to do. Due to diminished levels of travel due to gas rationing, the Virginia Sailing Association (consisting of the Urbanna Yacht Club, Rappahannock River Yacht Club, Hampton Yacht Club, and the Norfolk Yacht and Country Club) hosted a consolidated annual regatta hosted by the individual member clubs on an alternating basis. The UYC hosted the first in July 1944 in addition to its Annual Regatta in September of that year. These Virginia Sailing Regattas, as they were known, survived the war years until the end of the 1960's with each of the participating clubs hosting an extra regatta on an alternating basis.

After the war, sailing activity increased rapidly. Regattas hosted by UYC fielded entries of Hampton One-Designs, Snipes, Penguins, Moths, Comets, Chesapeake Twenties and Knockabouts, in addition to smaller fleets of offshore yachts. Members of the Urbanna Yacht Club got together to establish a UYC Penguin fleet for the 1947 season and organized themselves into what they labeled The Penguin Project. They ordered a load of plywood, and set out to construct 15 garage-built Penguins that served adult members for many years until the fleet was consigned to their children for junior activities in the mid-1950s.

The Club hosted the 1948 Hampton One-Design National Championship as a result of Club member Lloyd Emory winning the previous year's event at the Hampton Yacht Club in H O-D #1 *Rough Passage*, now on permanent display (renamed *Jaysto* by a subsequent owner) in the

**CLUB HISTORY / JUNIORS**

Mariners Museum at Newport News. With membership approaching 200 near the end of the decade, a site committee was appointed to find a more suitable home that would support the future growth of the Club. However, none of the owners of prospective sites on Urbanna Creek were willing to sell. Interestingly, a portion of the Rosegill property on Urbanna Creek was a prime candidate, but the then owner of that local landmark did not follow through with a commitment to sell once the War had ended. The Site Committee comprised of Reid Dunn, Allan McCullough, Marshall Moseley, Rucker Ryland, and Carroll Chowning conducted a comprehensive survey of eastern Virginia waters before submitting their recommendations to the Board to move its location to Fishing Bay at the mouth of the Piankatank River.

**EXCITING UPDATES FOR THE 2025 JUNIOR SAILING SEASON!**

Hello Sailors!

We're thrilled to bring you some big news and updates about the upcoming 2025 season!

Over the past few years, we've been working diligently to elevate our Annual One Design (AOD) Regatta into a must-attend event for junior sailors in our bay and beyond. Through persistent efforts and outreach, we made significant strides, including getting the event on the CBYRA schedule last year.

Now, for 2025, we're excited to announce that our AOD has been officially approved as a High Point Event on the CBYRA calendar! This milestone is a testament to our community's hard work and dedication. It will likely draw more teams to participate, provide Southern Bay sailors with greater opportunities to score points toward High Point Trophies, and help us achieve our dream of filling our beautiful bay with even more sails. Congratulations to everyone involved in making this happen!

Secondly the CBYRA has finished its calendar and we are very close to finishing ours, only the national events remain uncertain, which will fill our gaps. Once that is certain, we will share with you all our official 2025 schedule.

Lastly I would like to share with you all a link to the 2025-2028 World Sailing Rules (<https://shorturl.at/NalUr>), remember they are updated/modified every 4 years. Winter homework for you not to miss the coaches ;)

Live slow, sail fast!
